SHOP AT THESE SIGNS AND WIN PRIZES

This district, like every other place, is visited by the itinerant peddler who goes from door to door soliciting articles, which in a majority of instances are purchasable in your own community from your own local merchants. In most cases these fellows receive a large percentage of the money paid for the goods they sell on commission. To assure a profit for himself and jobber who provides the merchandise must of necessity price the goods accordingly. As a result the housewife who patronizes the itinerant salesman off times pay considerably more for an article of

doubtful value than she would to her home town merchant, whose stock is reliable and dependable. If a citizen makes a purchase locally, should the article turn out not to be as represented the dealer is generally quite ready and willing to rectify the mistake, whereas if the purchase is made from a peddler and the goods found unsatisfactory, there is seldom any redress, for the itinerant salesman is here today and gone tomorrow. Shop your hometown merchants to win prizes and good value. Shop Festival of Values section, and then drop in at any one of the following

merchants: Wilson's, Pigden Motor Sales, Hagerman's Sports & Cycle, Ross Ladies Wear, Armstrong Motors, Madoc Frigid Lockers, Miller's B.P., Pigden Radio & T.V., Johnston's Pharmacy, Bert Jones Ltd., Stickwood's Dry Goods, Brett's Garage, Embury Builders Supplies, Nickle's Jewellery, Ed Kramp & Son Supertest, Madoc Co-Op, Canadian Tire Store, O'Riordan Grocery, Hulin's Garage and Farm Supply, Kincaid's I.G.A., Frank Downey Insurance, Beamish Store, Mother's Restaurant and Eaton's Catalogue Sales Office.

First prize winner in the Festival of Values draw held on Friday was Mrs. Theresa Kilpatrick of Madoc. Above, Pree Nickle is shown presenting Mrs. Kilpatrick with a Waterless Cookware set. The ticket had been entered at Nickle's Jewellery Store.

Mrs. Norma Davidson of R.R. 5, Madoc, won the second prize, a lovely steak set, with the coupon she filled in at O'Riordan's Grocery for the Festival of Values draw. Above, Anne O'Riordan, right, makes the presentation.

Mrs. Mary Pigden of Pigden's Radio & T.V. is shown presenting Mrs. Melvin Gordon of Queensboro, at left, with a cutlery set. Mrs. Gordon was third prize winner in the first week's Festival of Values draw.

FESTIVAL OF VALUES

SENIOR CITIZENS REPORT

(submitted by
Mrs. Durwood McCoy)
The Senior Citizen's Club No. 473 of Madoc & District held their regular meeting on March 27th in Trinity United Church Parlour.

The president, Mrs. Percy Broadworth, was in the chair and the meeting opened by repeating the Lord's Prayer in unison.

In the absence of Mrs. Velma Johns who has a sprained knee Mrs. Pearl Blakely acted as recording

speaker and read the minutes of the last meeting.

A card of thanks was read from Mrs. Dora Sherrow who has a badly injured arm; also a card from Mr. and Mrs. Ken Broad thanking the club for their donation to the heart fund.

Mr. Ken Bateman is in the hospital.

Mrs. Broadworth read a synopsis of a young woman's life who has been blind since she was a year old.

Four members are celebrating birthdays this month.

A variety show is being held in Marmora Legion Hall on April 24th by Marmora Senior Citizens and Madoc Club is invited.

STEAM TRAIN TO BELLEVILLE

Jack Ellis, M.P. Hastings recently announced that he has secured C.N. Steam Engine 6060 for an excursion July 20th, 1974. Engine 6060 is the newly built steam engine being used by C.N. for display and excursion purposes across Canada. The announcement is the result of many requests and negotiations over a period of time.

The train which will go from Belleville to Peterborough and return is being co-ordinated by the Ramesses Shrine of Belleville which will use proceeds from the Crippled Children's Hospital. Lunch will be available at the Peterborough end of the trip. Photo runs and other activities for steam buffs will be the order of the day.

"Exact times, cost of tickets and other essential details will be announced in the near future," said Mr. Ellis.

The lunch committee for the next meeting are: Mrs. Dora Sherrow, Mrs. Mary Ward, Mrs. Alma Kinahan, Mrs. Mary Forester and Mrs. Anna Carman.

JUNIOR SOFTBALL ENTRIES SOUGHT

Three communities in eastern Ontario have issued a challenge to other towns and villages in the area to enter teams in a Junior loop under the Ontario Amateur Softball Association.

The Picton Proctor-Lewy Juvenile squad which won the all-Ontario championship in 1973 is still intact with most of its players over the 19-years-old Juvenile age limit.

Along with Junior-age teams from Napanee and Brighton, the Picton club has challenged communities in

eastern Ontario to form Junior teams so that a new division may be established under the O.A.S.A.

Teams from Trenton, Cobourg, Belleville, Madoc, Marmora, Campbellford, Verona, Harrowsmith, Kingston and other cities, towns, and villages in the area would be welcome additions to this league.

Persons wishing more information should contact Earl Foster of R.R.2, Picton, (Fawcettville), Ontario, as soon as possible.

Wolf Bounty Discussed In County Council

Fish and game protective associations at Belleville and from the Lower Trent have come out in favor of no wolf bounties.

This was indicated in reports received by Hastings County Council from the Belleville and District Fish and Game Association and from the Lower Trent Game Protective Association.

The two associations want no change in the deer hunting season but would like to see licences for hunting dogs taken into the bush, fines for hunters leaving dogs in the bush after the season and stiff fines of up to \$1,000 for convicted poachers.

The reports and recommendations were in reply to recommendations tabled last year in council by a special committee investigating deer populations.

Council concurred in a Haliburton county resolution calling for a delegation to interview the Minister of Natural Resources regarding the claimed increase in the wolf population. A delegation from the county will join with the Haliburton body at the Toronto interview.

Discussion on wolves and payment for livestock losses took up considerable time at the morning council session.

Wollaston Reeve Frank Graham brought in a township resolution asking county council support in a request for the

province to set up an impartial tribunal to hear cases involving loss of livestock by wolves. The resolution was eventually turned down.

Under present regulations the province pays for livestock losses proved to be the work of wolves. The local municipality pays the farmer compensation if dogs are to blame.

Besides the ordinary newspaper, magazines and card-board, they are now collecting glass jars and bottles. So, when you are spring cleaning your basement, be sure to save all your paper and jars for this recycling project. The drop-off places are the same as before, as well as the hours. All the money made from this project will be donated toward charity.

MOIRA LAKE PARK GETS SUPPORT

Hastings County Council is in favor of a recreational park being developed on the south shores of Moira Lake.

Thursday at its March session, the County body approved the recommendation of its planning board to support the request of the Township of Huntingdon that public authority acquire the

600-acre McDonald property for development as a general recreation park for area residents.

The property in question is the area of the Moira Lake United Church camp and the Quin-Mo-Lac road.

It is recommended also that from 150 to 200 campsites be provided and that 500 to 600

acres lying to the east of the McDonald property be included in such a park.

Also Thursday, council indicated it would approve Papineau Lake in North Hastings as a site for the proposed provincial park, "although it didn't go so far as to say the park should be developed."

In his report Thursday to Council, Dunganon Reeve Calvin White, chairman of the county planning board, said it appeared from requests made to the board for advice and information that the future could see big development in the county for the tourist industry.

"It seems that the energy situation is focussing attention on this part of Ontario," said

Reeve White, "so that we may be entering a period when the beauty of natural surroundings may create permanent jobs serving the tourist as well as accommodating cottagers."

Also in the planning board report was a recommendation that lands contained in lots 12 and 13, concession 11 Huntingdon Township, be redesignated as "resort" area on the official plan to permit the expansion of the existing Campkin Camp and Trailer Park.

Mr. Campkin proposed to increase the number of sites to 200, add a swimming pool, recreation building and snack bar. He does not permit power boats on the 75-acre Snake Lake.

WHAT C.O.P.E. MEANS TO MADOC

Project C.O.P.E. (Constructive Opportunities for Progressive Employment) belongs to, and depends on, the community. It is funded by the Federal Government through a Local Employment Assistance Program (L.E.A.P.) grant over a period of three years.

C.O.P.E. is a commercial operation, not a "make-work" project, with the intention of becoming self-supporting — even profit-making — at the end of the L.E.A.P. grant. It is not a "sheltered workshop" or similar facility. In fact, it is not permitted to operate as such.

The aim of the project is to provide experience in work skills and to aid in the establishment of permanent productive employment in this community. The Board of Directors, who represent many aspects of community life, feel that it is most important to provide within the community good opportunities for those who are handicapped (physically, mentally, or socially) in their difficult search for employment. The handicap you are unable to see may be

equally as difficult as the handicap which you may easily see.

The project is an ever-growing one and people with a variety of skills and abilities are needed to ensure proper planning and growth. An important aspect of the project is business. It is necessary to make money in order to be able to extend the services to the community as the Directors see needs arising.

Both the Board of Directors and the workers within C.O.P.E. need the support and understanding of the community at large so that they may grow in usefulness to the community.

The public is welcome to visit at the workshop on St. Lawrence Street, to watch the operation, and ask questions. The work you see in progress is only the beginning of the enterprise.

With a variety of pottery and ceramic articles prepared for selling, the store is now ready for business. It is open until 9:00 p.m. Fridays; Saturdays, 9:00 a.m. to 5:00 p.m.

Emergency First Aid Course Being Offered

An eight-hour instruction course on emergency first aid is being offered at the Madoc Township Public School this month.

A qualified St. John's Ambulance instructor, Mrs. Bernice Young, will be giving the course for four nights, beginning Tuesday, April 23rd.

The course covers treatment for burns, scalds and poisons, how to apply arm slings, shock, bone and joint injuries and a number of other items.

Persons interested in obtaining this valuable information should contact the school. More details are included in the advertisement inside this issue.

DANCE MARATHON AT C.H.S.S.

Thirty five years ago one of the biggest crazes was dance marathons. Couples travelled to Crowe Lake, Stoco Lake, Presque'ile, and Oak Lake pavilions to compete in these events. Some of them were only 24 hours long, while others lasted for 72 hours or more. You could go to the Crowe Lake Pavilion on Friday night to see the competition begin, and come back Saturday night to see it end.

On the Friday the competitors cut all sorts of fancy steps and looked neat in their freshly ironed clothes, while on Saturday night the dancers wore the glassy eyes of battle fatigue. Their clothes hung limply and their wing-tipped shoes were badly scuffed.

Now that era is back. In order to raise money for the Bridgewater School Olympic Games entries, the grade 13's of C.H.S.S. have organized a 12 hour dance marathon — maybe, the modern young generation are less athletic than the pre-war youth — it's a good time to come out and see if this is true.

This dance will be run from 12:00 noon to 12:00 midnight on Saturday, April 6th, 1974 in the cafeteria of C.H.S.S. The competing couples must dance together for the complete ticket, with only 5 minutes off each hour for refreshments.

All competitors must check in with the dance organizers by 11:45 a.m. on Saturday so that they can be started at exactly 12:00 noon.

The Tungsten Tonsil and the Aggravated Adenoid will serve as masters of ceremonies and will try to keep things running smoothly through the exhausting day.

If you wish to come and dance, please do. If you wish to just watch, you're welcome.

Come and relive that era of dance marathons — for a worthy cause.

General Meeting Of Madoc And District Chamber Of Commerce

The Madoc & District Chamber of Commerce will be meeting on Monday, April 8th, 1974 at 8:00 p.m. in the library of C.H.S.S. This meeting is open to all persons interested in the growth of the Madoc area.

The agenda includes — the operation of the Chamber of Commerce tourist booth. This booth has not been completed. Parts of the outside structure are not finished, and the inside has to be prepared for the tourists who will be visiting this area. The Hastings County museum is preparing displays which could be used in this tourist booth.

The sidewalk sale preparations must be commenced. Committees have to be set up to handle promotion, street dance, etc.

The idea of a day care centre for Madoc and area will warrant some discussion. Welcome Wagon services for people moving into Madoc has been suggested and will be discussed. New industries should be encouraged to try Madoc as a base for their operations.

It is hoped that this meeting will generate new ideas for the Chamber of Commerce to work on.

BRIDGEWATER BENEFIT NIGHT A SUCCESS

Through the efforts of Mr. and Mrs. Levi Turcotte and family, a purse of \$200.00 was presented to Al Cox, Principal of Bridgewater School on Friday night, March 29. This money is to be used to send a team to the Canadian Special Olympics and other school projects.

One hundred and twenty nine dollars was raised from tickets sold on a patchwork quilt made by Mrs. Turcotte. The holder of the winning ticket, drawn by Mr. Cox, was M. P. Smith of Thomasburg. Mr. and Mrs. Turcotte also arranged the dance held March 29th. The staff and students of Bridgewater School are most appreciative of the generosity of the

Township of Elzevir for donating the hall; Mrs. Phyllis Deline, caretaker of the hall, who donated her services; the Quinte Mohawk Orchestra from Deseronto who provided free music for the dance; and to all those people who bought tickets, attended the dance, and helped with the lunch.

A special thank you is extended to Mr. and Mrs. Turcotte who voluntarily undertook and carried out this highly successful event.

Through the efforts of all these kind and wonderful people, the team will certainly make the Olympics in June.

ITS MY SECOND TRIP
IN 30 YEARS
by Bill Smiley

Canadians, weary of winter, are taking advantage of the school winter break in ever-increasing numbers to get away from the true north, strong and freezing. Colleagues casually mention that they're off to the Caribbean or Mexico or the Canary Islands or some such exotica. It's considered passe these days to go merely to Florida.

Students will be descending in throngs on places like Athens, Rome, Paris, London.

Chief reason is that air travel is no longer for the rich only. Package deals and charter flights put a mid-winter break within reach of us ordinary Joes.

A friend of mine, for example, is going with his wife for a week in the Channel Islands, those tiny bits between England and France. Air fare is only \$209 each, return. And do you know what they're paying for a hotel room with bath, and three meals a day? Twenty-eight lousy pounds a week, because it's the off season. That's about 60 bucks. They couldn't stay home for much less.

Well, I'm not one for skulking off to the south and leaving other Canadians to suffer. I had a choice. I could go over to see Granddad, or fly to Germany for a few days. Free. It's not that I don't respect and admire my father-in-law, but for some reason I chose Germany.

I hope I get a better reception than I did last time I visited that country.

Last time I ventured into Germany was almost thirty years ago. There was a fairly large and assorted company in the group I travelled with: privates, corporals, sergeants and one Flying Officer — me.

We had no trouble get-

O.P.P. REPORT

During the week of March 22nd - 29th there were 41 general occurrences received along with 12 motor vehicle collisions. As a result of these collisions seven persons were injured and an estimated \$6,000.00 property damages.

One break, enter and theft occurred in the township of Huntingdon on March 23rd. Property stolen was valued at \$750.00. Another theft from a lumber camp in Grimsthorpe Township resulted in \$250.00 worth of good taken.

Assistance was rendered by a Madoc O.P.P. Officer, Trenton Bomb Disposal men and a Belleville Identification Unit man to assist a Rawdon Township farmer dispose of several sticks of dynamite which had been stored in a barn at his residence. The dynamite was estimated to be approximately twelve years old and at that age it could have very easily been activated just by a sudden jolt.

Two Toronto area men have been charged with "Wilful Damage" following investigation into a complaint of a damaged cottage on Moira Lake.

Liquor Violations: Having Liquor in Other than a Residence, 3; Intoxicated in a Public Place, 1; Impaired Drivers, 1 female.

Equal Opportunity: Some people seem to be able to "hold their liquor" better than others and this excuse is often aired by those who don't want

to believe that a few drinks can seriously impair driving ability. Because of body weight, fatigue, emotional condition or a number of other reasons, individuals may show differing effects from drinking the same amount of alcohol. However, they may be equally impaired!

ICE BECOMING UNSAFE

The following is the ice report of the Ministry of Natural Resources, Tweed District, issued Thursday, March 28th. Cross Country skiing is fair to good north of No. 7 Highway; Fair in south; Skidooning is generally poor north of No. 7; very poor south. Bon Echo is in process of removing trail markers for the summer. Fast moving water: Inlets and outlets are considered most Dangerous.

Tweed — Lakes north of No. 7 Highway are safe for snowmobile only; south, Pedestrian; snow in bush 9.6 in.

Bon Echo — Most lakes will hold a snowmobile with care. Snow in bush is 14.6 in. Trails are very rough.

Plevna — most lakes are safe for snowmobile only; but reducing to pedestrian only with snow cover. Snow in the bush is 15 in.

Sharbot Lake — Small lakes will hold a pedestrian. The large lakes are safe for snowmobile (due to snow being blown or melted down). Snow in bush is 7.9 in.

No fish huts and debris should be left on the ice surface prior to March 31st. Ice at this time of year can

suddenly crystallize completely losing its strength in a matter of hours or with a rain within

minutes. Spring may be sprung but our fun is not yet done.

49 YEARS AGO April 15, 1925

Many of our local readers will remember the late Simpson Rennie, one of the most prominent and successful farmers in Ontario. Mr. Rennie was awarded the Gold Medal in open competition, as well as winning the Sweepstakes prize for the cleanest, best managed and best cultivated farm in the province of Ontario. It is very interesting to note that this farm, now known as the "Gold Medal Farm of Ontario," and operated by the well-known Seed House of the Wm. Rennie Co. Ltd., as a trial grounds is under the management of the late Simpson Rennie's son, to whose grandfather the original Deed of the farm was given by the Crown.

Cows averaged one hundred and sixteen dollars a piece in the early part of the fifteenth annual consignment sale of the Belleville District Holstein Friesian Club at the Belleville hotel yards Wednesday afternoon. The first sixteen head of the sixty-five to come under the auctioneer's hammer brought a total of \$1,855. The highest price paid up to three o'clock when the sale had been

progressing for two hours was for the first animal that came into the ring, a three-year-old, Belle Alcarra Spoford consigned by W. H. Gough of Bloomfield. The price paid was \$180 by M. W. Miller, of Bromo, Que. Others were one at \$165 and several at \$155. Among the consignors was J. A. Caskey, and he was the sales manager.

Married — The following is taken from the Brighton Ensign. The bride, who was Miss Leah Pierson, is known in Madoc, having been a milliner in the employ of Mrs. Trotter. The home of Mr. and Mrs. Louis F. Pierson, Young St.,

was the scene of a quiet but very pretty wedding when their only daughter Miss Leah Pierson, became the bride of Mr. Winston Orval Davidson, of Detroit, Mich., son of Mr. and Mrs. H. Davidson of Havelock. The bride, who was unattended was given away by her father, while Mrs. (Rev.) Wilson played Lohengrin's Wedding March. Rev. J. S. I. Wilson, B.A., B.D., performed the ceremony in the presence of only the immediate friends of the bride. The bride was costumed in a handsome travelling suit of navy blue, with hat of grey and navy and a grey squirrel scarf and carried a beautiful bouquet of roses and lily of the valley. After a buffet luncheon had been served, the happy couple left on a honeymoon trip to Montreal. They will reside in Detroit. They many friends wish them every happiness.

Wedding Bells — A very pretty marriage took place at the manse, Madoc, April 8, when Miss Mildred Nicolson the youngest daughter of Angus Nicolson, became the bride of Samuel Arthur McCarey, son of Mr. and Mrs. Samuel McCarey, of Eldorado. The wedding ceremony was performed by the Rev. S. G. McCormack, in the presence of a few of their intimate friends and relatives. After a short honeymoon in Toronto and points west, the happy couple will reside at Sharbot Lake.

24 YEARS AGO April 6, 1950

Twin boys were born on Monday afternoon, April 3, to Mr. and Mrs. Wm. Ramsay, who reside on a small farm 14 miles north of Madoc, in Millbridge district. In addition to the twins Mr. and Mrs. Ramsay have seventeen children, fourteen of whom are still at home. Following birth, the twins were rushed to Belleville General Hospital by Dr. S. R. Beatty, the attending physician. On arrival at the hospital they were placed in an incubator in which it is expected they will remain for about ten days. In order that the babies will have the best of care until their mother is well enough to look after them, financial help will be given by the Kiwanis Club of Madoc. On Tuesday morning a special meeting of the club was held in the Review when it was decided to see that the twins received the necessary hospital care.

Last week's Trenton Courier-Advocate contained a front page picture of Ray Burris and Jack Hatch Jr., of Madoc, receiving blazers containing official Junior Bowling Crests from H. C. Argue, of Belleville, President of the Provincial Lawn Bowling Association. The Madoc boys won the Ontario Junior Lawn Bowling Championship last fall, defeating runners up at Hamilton. Medals were presented to the youths last year and the blazers came from District 15, of the P.L.B.A., presented at the annual spring meeting held at the Trenton Country Club recently.

Township federations of agriculture have been organized in the first nine townships in Hastings County during the past week, it is reported by the Ontario Department of Agriculture in their weekly crop report. One of the first items on the program of the new township organization will be a canvass for a county-wide calving vaccination program. With the approach of spring cultivation farmers are beginning to look for both commercial and registered grain with prices asked being higher than was originally expected.

On Thursday evening, March 23rd, a farewell party was held at the home of Mr. and Mrs. Joseph Hayton prior to their departure to their new home in Madoc Village. At ten o'clock the gathering was called to order by Maurice Reynolds and Herb Brady and Carl Fitzgerald presented Mr. and Mrs. Hayton with a floor lamp, end table and waste paper basket. The following address was read by Mrs. Gordon Holmes: Dear Joe and Otis: It was with a very deep feeling of shock and regret that your friends and neighbours learned of the sale of your farm a few months ago, and now that the weeks have gone swiftly by and you will be moving in a few days, we have taken the liberty of coming to your home tonight to enjoy a social evening with you, and to express to you our appreciation of your neighborliness and friendship throughout the years. During the long term of our association with you we have always felt that we could rely upon your assistance and co-operation in all that pertained to the welfare and progress of the community as a whole. To this may we add, that you have been such wonderful neighbors that words fail us when we try to tell you how much we are going to miss you. However, we are very glad that you are not moving very far away and that we shall still be able to see you often and visit with you. And now we would like to give you a tangible expression of our good wishes for years of happy life ahead of you, so we ask you to accept these gifts as a token of our friendship. May the use of them bring pleasant memories of the members of this community. Signed on behalf of Cooper and Remington communities: Leonard Graham, Gerald Graham, Herb Brady.

15 YEARS AGO April 16, 1959

The Review joins with the community in extending congratulations to Miss Sophronia Danford, of Madoc Village, who celebrated her 90th birthday on Sunday, April 12th. Miss Danford is still very active and her favorite pastime is knitting. On Saturday, her many friends and neighbours

held a party in her honour when an address was read after which she was presented with many lovely gifts. Miss Danford graciously replied thanking all for their thoughtfulness.

George Edwin Heinze, of Maynooth, was killed in the Faraday uranium mine, four miles southwest of here, on Friday, when a 10-ton rock fell on him from the roof of an excavation at the 600-foot level. Mr. Heinze, a young man around 20, was a son of Mr. and Mrs. Ernie Heinze, of Maynooth, and had lived in that district all his life. Mine officials said Heinze had been working with Mario Ghio, 35, on an ore slushing machine, but moved about 100 feet away to drill in an excavation. Ghio, repairing a cable on the machine, went to look for Heinze and found him pinned under the rock. Heinze's father, cage-tender at the mine, brought his son's body to the surface. Heinze was unmarried. An inquest has been ordered but no date set.

The Greyhawk Uranium Mine near Bancroft, 50 miles north of here, has closed down because of financial difficulties, company officials said Thursday. The mine laid off 52 men, April 1st. A spokesman said the shutdown was due to a lack of funds to mine ore of acceptable grade.

The members of the Madoc Kiwanis Club and their guests were given an insight into life behind the Iron Curtain at last week's regular dinner and heard first hand about the World Hockey tournament recently completed in Rague, Czechoslovakia. Present as guest speakers, were Mr.

Gordie Bell, goaltender of the World Champion, Belleville MacFarlands, and Past Pres. Chris Lockyer, of Picton Kiwanis Club who attended the tournament as a spectator. Mr. Lockyer spoke very highly of the hospitality extended to the Canadian team and their supporters and explained in some detail several of the differences he came across between our way of life and that in the communist country. Gordie Bell undertook to answer a barrage of questions thrown at him by an eager audience. Gordie was high in praise of the Russian hockey club, as well as several individual players on other teams. He stated that there were several who could probably make the National Hockey League, if given the

opportunity. He also stated that no where in the world is hockey enthusiasm so high, both from a player and spectator point of view, as in Europe. The speakers were introduced by Past President Ken Holmes and Kiwanis appreciation was extended by Kiwanis Director Tom Burnside.

Wedding — A lovely spring wedding was solemnized on Thursday, April 9th, at 2:00 p.m., in Whitby United Church, when Marilyn Virginia Alexander, daughter of Mr. and Mrs. Edward Alexander, Queensboro, became the bride of Hubert Allan Taylor, son of Mr. and Mrs. Edward Taylor, of Madoc. The Reverend C. R. McQuaid officiated at the double-ring ceremony. Miss Lynda Alex-

ander, sister of the bride, was maid of honour. Miss Patricia Alexander, youngest sister of the bride, was bridesmaid. Mr. Ralph Taylor, of Madoc, brother of the bridegroom, attended as bestman. Following the ceremony a reception was held at the home of the bride's sister, Mrs. Kenneth Yates, Brooklin. The bride's table was appointed in white linen, centred by a three-tier wedding cake, topped by a miniature bride and bridegroom. For travelling to Niagara Falls, New York, Buffalo and points south, the bride chose a turquoise wool suit with white fleck, white accessories and a corsage of red roses. The happy couple will reside at R.R. 2, Trenton, Ontario.

NOTICE

Under the Forest Fires Prevention Act,

The period from April 1 to October 31 in each year shall be a fire season.

Fire permits are required in a fire district

• for all outdoor burning except cooking or obtaining warmth

• to ignite fireworks within 1000 feet of a forest or woodland.

A work permit is required to conduct any operation which is liable to cause an accumulation of slash or debris within 1000 feet of a forest or woodland.

No person shall smoke while walking or working in a forest or woodland.

Fire permits may be obtained from local Ministry offices or township fire wardens.

FRIENDLY HINTS

THE FERTILIZER SITUATION IN ONTARIO

"Time is the enemy of the fertilizer supply industry in 1974," according to W. S. Kilmer, executive vice-president of the Plant Food Council of Ontario. That's what he told a national fertilizer conference, sponsored jointly by the plant food industry and the Ontario Ministry of Food and Agriculture, in Toronto last week. He said a late season, accompanied by a similar demand to last year, will enable industry to supply demand. An early season, however, coupled with a demand increase of five to seven per cent, could result in Ontario being up to 10 per cent short of its increased requirement.

Dealing with nitrogen, he indicated that inventories at basic production points are very low, and are not being helped by the demand for feed urea, which has almost doubled. Supplies of ammonium nitrate, however, appear to be equal to last year's tonnage.

The main fertilizer deficiency in the province is in phosphorus, particularly 20 per cent superphosphate and triple superphosphate. This poses problems for the tobacco farmer, and others wanting a 1 to 4 nitrogen to phosphorus ratio. To help overcome the problem, industry moved all possible supplies to the tobacco industry, replacing them in other areas with diammonium phosphates (DAP). The familiar grade 6-24-24 has been replaced largely this year by 6-18-24 or 8-20-24. Tobacco fertilizers, too, are being offered with reduced amounts of phosphates this year.

Potash is a bright spot. Shipments are running ahead of last year and these should be enough to meet demand.

Given time, and using available materials wisely, most fertilizer needs of the Ontario farmer will be met, but there will be "some delays, some disappointments, and some local shortages," indicated Mr. Kilmer.

Looking to the future, UCO's crop products department manager, Gord Mathar, at the same conference, indicated that the tight supply situation and higher feed costs may have changed some farming practices, such as an upland in fall plowdown of phosphates and potash, with increased summer applications on hay and pastures.

"This not only makes good economic sense for both the farmer and industry," said Mr. Mathar, "it also allows for better use of storage facilities, delivery and application equipment."

FARM CLASSIFICATION FOR LAND USE
(by W. D. Tipper)

On April 30, 1973, the Honourable W. A. Stewart, Ontario Minister of Agriculture and Food announced the appointment of a Farm Classification Advisory Committee. He named six people to the Committee with E. J. Kowal as Chairman. This Committee was to carry out a study under the following Terms of Reference: The Committee shall study and make recommendations to the Minister respecting:

(a) the feasibility of classifying farms, types of farms or farm operations in Ontario; and (b) the application of such a system of classification to Ontario legislation affecting farms or farm operations in Ontario.

On Monday, March 18th, 1974, the Committee made its report. It is obvious they have taken a very deep look at the matter that they were assigned to study. The study related to the whole industry. Once you classify farms, you in effect have provided a concrete way of looking at land use. In addition you begin to classify a farmer. From this you can see the various implications and the problems connected with the agricultural industry. I expect that copies of the report will be available on request in due time. Certainly those people who made written or oral presentations will receive copies. It is interesting to note that the Committee held 19 public meetings. There was a total attendance of 985. They received 87 written briefs at the meetings. In addition 107 people made oral presentations at the meetings. It also should be noted that 33 briefs were sent directly to the Committee by mail. From this we would have to conclude that on the basis of statistical surveys that are accepted in our daily life, the representatives of Ontario's agricultural industry were very active in presenting their views. This newsletter does not permit space to other than outlining what the Committee has reported.

The Summary of Recommendations numbers 12, as follows: Recommendation 1 - page 9, that a system of classification is feasible and desirable, and the system be such as would preserve and encourage the freedom of choice, versatility and initiative of the individual producers of plants and animals useful to man.

Recommendation 2 - page 10, Farm Land be deemed to mean, and to include the soil, whether mineral or organic, the attachments, whether attached by the course of nature, as trees, herbage and water, or by the hand of man, as buildings and fences, either solely or in conjunction with each other, used or capable of being used, for the production of plants and animals useful to man, including the farm home. The attachments aforesaid being so connected to the soil that by rules of law they pass by a conveyance of the land.

Recommendation 3 - page 12, Farm Lands be classified into five classifications - Agriculture, Agricultural-Residential, Rural-Residential, Rural-Recreational, Rural-Speculative.

Recommendation 4 - page 19, A Farm Index be established and maintained for all Farm Land and that an index form be made available to all owners and lessees of Farm Land for completion and return. The index be programmed for computer use for the development and carrying out of specific agricultural policies and be in the form as set out in Schedule A.

Recommendation 5 - page 21, All Farm Land not otherwise classified on the basis of a returned farm index form, be deemed to be classified as Rural-Speculative.

Recommendation 6 - page 22, Area Appeal Boards be established throughout Ontario.

Recommendation 7 - page 23, The Owner(s) and/or Lessee(s) of Farm Land classified Agricultural or Agricultural-Residential be designated Producers.

Recommendation 8 - page 23, All Producers(s) being

"THE HASTI-AGRI-GRAM"

Owner(s) or Lessee(s) of Farm Land classified Agricultural be designated Farmer(s).

Recommendation 9 - page 24, Eligibility for policies and programs be based on qualification within the appropriate classification, regardless of sex.

Recommendation 10 - page 25, All Ontario legislation or regulations, policies and programs pursuant thereto be strictly based on the classifications and definitions provided by the Ministry of Agriculture and Food.

Recommendation 11 - page 26, All Farm Land be subject to the jurisdiction of the Ministry of Agriculture and Food with respect to land use planning.

Recommendation 12 - page 27, The classifications and definitions as recommended in this Report be applied uniformly throughout Ontario.

A DELEGATE'S VIEWS
Farm organizations appoint delegates and representatives to meetings. Too often the organization members don't hear back on what happened nor are they given an assessment of the situation. Mr. Bill Langstaff, R.R. 5, Belleville, this season has represented the Hastings and Prince Edward Beef Improvement Association and The Hastings Federation of Agriculture. As an experiment he was asked to make a report that would indicate the thinking of all the people at these meetings and their reactions to the problems they discussed. His report then is an assessment of group thinking. This report was prepared March 15 before the recent announcement on beef subsidies, therefore there is no reaction to that program.

Having recently attended the Ontario Beef Improvement meeting in Toronto, the Ontario Federation of Agriculture meeting in Toronto, and most recently the Executive meeting of the Federation of Agriculture for the local Counties, I have noted a number of common concerns. I might quickly add that there have been very, very few familiar faces from one meeting to the next. Apparently, the most vexing problem, apart of course from unsatisfactory net financial return on investment to the Farmer, is the constant rape of prime farm land by the pipelines or hydro. In their autocratic dealings with the farmer complete disregard is shown, in most instances, of his losses or inconveniences either immediate or in the future. My advice to every farmer is "Do not believe the company representative - he is not working in your best interest". I would further strongly recommend, do not negotiate individually with the representative but seek assistance from a commodity group to which you belong or a member of the Federation of Agriculture. You have heard all sorts of advice, that production from the soil will be back to normal after one or two years. This is absolutely untrue and results show it takes from 5 to 18 years, depending on the type of soil and effort expended, to rectify the situation. In many instances drainage problems are created by pipelines which are never properly corrected. The Pipeline companies are most anxious for you to sign a complete and final release, and it is for the simple reason that they know the lingering problems they create. Hydro are no better. You have read of their autocratic methods. The charges of the public meetings they now hold, ostensibly to decide routes, should be considered for exactly what they are. When they tell you, as they did at Frankford public meeting, that the value of land increased when a hydro corridor crosses it because people want to build adjacent to the corridor so that the householder can walk his dog, it is very indicative of their sincerity in dealing with you.

The next item receiving most attention appears to be the Livestock Industry. Hon. W. A. Stewart, Minister of Agriculture and Food, said in his speech that he was sure the beef operators would stick out the "chaotic market conditions" created by the interference of Governments in the industry, as the industry had had to go through similar periods previously. If there is an over-cattle population in Canada at present, it is the result of Government en-

couragement from 1968-72 to expand the industry. The industry is denied the use of DES in Canada while it is used in the U.S. industry saving the operator 10% of his feed costs, and we compete with his product on our market. The same drug, as you know, is used in birth-control pills with no concern. We have asked for relicensing of DES or an embargo on slaughter cattle or beef entering Canada from the U.S.A. We have also asked for Reciprocal Tariffs with the U.S.A. As Finance Minister Turner told us in Oshawa in November, they have to wait for our advice before taking action on our behalf. We have asked, however, I can only assume that Mrs. Plumbtree's problems in retaining her host of admirers and fans is more important than the plight of the farmers.

I heard a statement at one of the recent meetings that "At the present price of feed grains, and present market price of livestock, no livestock farmer can avoid losing money". Even if the farmer grows his own grain he is losing money because he would make more to sell it to feed the hungry of other countries. However, we all know the ultimate result of that approach. You have read Mr. Whelan's recent statement in Winnipeg that the cost of beef will increase 30 to 40¢ per lb. as 20 to 40% of beef marketed in Canada at present is coming from the U.S.A. We are well aware that present massive slaughtering and

lower prices is the result of U.S. Government interference with the marketing in '73 and when the surpluses have been eliminated, adjustments in prices can be expected. We have to presume Mr. Whelan used 30 - 40¢ per lb. to encourage farmers to hang on, as Mr. Stewart expects we will, thus continuing to produce cheap meat.

If there is to be any future in the Livestock Industry, there will have to be some genuine concern shown by everyone, and this concern must be initiated with realities not lip-service from Government. You, as an individual, must accept with real skepticism

any advice to increase production. Massive increases in food products, be they grains or livestock, can only lead to decreased prices. This ensures popularity for the next election but does not assist you in achieving your position in society.

Don't expect any Shangri-La to be suddenly thrust upon you. It will only be through your individual participation in your commodity association that you will receive any return for your efforts and investments. Your single cry from the wilderness will not be heard by Government and you can be certain it is not particularly concerned with your position in society, whether it is dealing with "Pipelines, Hydro or marketing your commodities. Look for assistance and advice from your farmer friends and be prepared to extend the same in reverse.

Queensboro

Euchres

There were ten tables played at the Euchre Party in the Queensboro W.I. Hall on Friday evening, March 29th.

There were two winners for the ladies high: Mrs. John Walker and Mrs. Art Robinson. The men's high and lone hands were both won by Art Robinson. There were also two consolation prizes which went to Vincent Cassibo and Billy Gough. The door prize was won by Harry Declair.

The special prize for the highest scorers during the season were won by: Ladies, Mrs. Vincent Cassibo; Mens, Kenneth Cassidy.

This was the last party for this season. Lunch was served by the members of the Women's Institute.

Mr. and Mrs. Bernard Dale, Madoc, are pleased to announce the forthcoming marriage of their eldest daughter, Lynda Gayle West, to Keith Dwayne Stein, son of Mr. and Mrs. Fred Stein, Eldorado. The wedding will take place on May 11, 1974 at 2:00 p.m., in the Anglican Church, Madoc.

Mr. and Mrs. Fred Rollins of Cooper are pleased to announce the engagement of their only daughter, Carolyn Marie to Ralph Percy Francis, son of Mr. and Mrs. Jack Francis of Crookston. The marriage will take place May 4th at 4:00 p.m. in Trinity United Church, Madoc.

ST. JOHN THE BAPTIST LENTEN MEAL

To commemorate Lent this year, the Men's Association have decided to try a fish and chip supper at the church hall (see advertisement).

Last year, there was no men's association. However, the men of the parish decided to try to form one. At the inaugural meeting, Mr. Glenn Whitehead of the Anglican Men's Association in Stirling came and addressed the Madoc men. He told us of the history of the mens group in Stirling, especially the Lenten fish and chip suppers that the Stirling men have been doing

since at least 1934. This idea caught the imagination of the Madoc men.

This year they voted to give it a try. So, on Friday, April 5th, 1974 at the Anglican Parish Hall, the first ever Lenten fish and chip supper will be served in Madoc. It is hoped that this will grow into being part of Lent for all people in the Madoc area in the years to come.

Cooper In Ontario Finals

Shouts of "Go Cooper, go!" will be echoing from the Madoc arena this weekend. Playing for the Ontario Rural Intermediate D championship, the Cooper Hockey team will meet Hillsburgh in the best three out of five games, beginning Saturday evening here in Madoc. The second game is scheduled for Sunday afternoon. The third and, if necessary, fourth games will be in Hillsburgh the following weekend. More details on this will appear in next week's issue. See the advertisement inside for starting times for the first two games.

Madoc Baptist Church Women's Mission Circle

The March meeting of the Women's Mission Circle of the Madoc Baptist Church was held at the home of Mrs. Ed Gates on Monday afternoon, March 25th. Mrs. Geo. Warbrick opened the meeting with the hymn, "I will Guide Thee with Mine Eye", followed by "He Leadeth Me". Mrs. Warbrick led in prayer. Then, "What a Friend We Have in Jesus," was sung.

Mrs. Geo. Moorcroft, Group leader, conducted the meeting, taking Psalm 23 as the

Lesson. She read a version of the T.V. Channel 23, revealing how the spiritual things in life are sometimes neglected for the material things. She then read a Japanese version, which stressed the spiritual and gave many good thoughts. David, the writer of this psalm, was a shepherd boy and gave us the message of consolation, peace with God, and understanding. He made no criticism, no complaint, no regret. Our shepherd is the author of all in life and in death; and rest refreshment, guidance, courage, rest contentment. We have no want for any good thing in this life, nor in the life to come and we shall dwell in the house of the Lord forever. Our shepherd does not change nor fail. Mrs. Moorcroft read a poem telling of all that David found in his shepherd; the promise of His presence and the promise of

the Holy Spirit as comforter and forgiveness of sin. The 23rd Psalm was fulfilled in Christ.

Mrs. Geo. Wood sang, "The

Ninety & Nine". Mrs. Forbes read a letter from the W. Rep. in Bolivia, led in prayer for the missionaries and gave thanks for the refreshments.

Meat Thermometers ...

Even the most experienced cook can be misled by how "well done" a cut of meat or poultry looks on the outside. Using a meat thermometer will ensure dependable cooking and perfect results each time.

With a skewer, make a small opening in the thickest part of the raw meat. Insert the thermometer so that its tip is at the center and does not touch any bone or fat. Set the oven at the recommended temperature, leaving the thermometer inserted throughout the entire cooking time. The desired temperature is reached.

Beef 140°F. for rare
 150°F. for medium
 160°F. for well done

Poultry 160°F. for well done
 170°F. for medium

Pork 160°F. for well done
 170°F. for medium

The cook's self-satisfaction with perfect results each time will far outweigh the small cost of buying a thermometer - it may prevent waste, too.

SPRING IS HERE!

Spring is a busy time of year at the farm of Mr. and Mrs. Cyril Shaw, when they go about the task of making maple syrup. The past week has been extremely good tapping weather. The top photo shows Mr. Shaw pumping the sap from the collection tank into the large vat inside, where it is boiled down with propane heat. In the bottom photo, Isabella Shaw keeps a watchful eye on the syrup at its final stages. By boiling down around the clock, they are producing about six gallons of syrup every hour, but still are not able to keep up with the orders that are pouring in.

MADOC VILLAGE COUNCIL REGULAR MEETING

The regular meeting of Madoc Village Council was held in the Council Chamber on Monday, April 1st, 1974, at 7:00 p.m. with Reeve T. C. Barton, Deputy Reeve Kelvin Kincaid, and Councillors Clayton Smith, Robert Graham and Robert Kirkwood present.

Graham — Smith — that the minutes of the March regular and one special meeting be adopted as circulated, carried. Mr. William Gordon and Lynn Deering of Madoc C.O.P.E. — interviewed the Council with regard to C.O.P.E. participation in the local recreation program. Mr. Gordon apologized for the

initial misunderstanding that occurred when Miss Deering first contacted the Recreation Committee. Miss Deering indicated that she intends to attend the next Recreation Committee meeting to offer her assistance and co-operation.

Mr. Allan Burris, Mr. and Mrs. Richard Matchett, and Mr. Ralph Taylor waited on Council with a request for water and sewer service on Madawaska Street. Council agreed to give this matter full consideration.

Mr. Bruce Kerr, Director of the Family and Children's Service of Hastings, Belleville

and Trenton met with Council to explain the functions and services available to our community through the Service. Reeve T. C. Barton expressed the appreciation of Council to Mr. Kerr.

Graham — Smith — that correspondence from the Ministry of Transportation and Communications, Ministry of the Environment, Miss Olive G. Ashe, Mrs. Eva Brownson, the Waste Management Branch, J. B. Mitchell, the Ministry of Consumer and Commercial Relations be received and filed. — carried.

Madoc Girl Tries Skating Test

The Tweed Figure Skating Club held their test day on Saturday, March 30th, at Tweed Arena. Shelley Nolan of Madoc participated and passed the last preliminary dance "the swing" and her first bronze dance "the Fiesta". Shelley is a member of the Madoc and District Skating Club.

SERIES TIED

Hillsburgh travelled to Madoc on the weekend to meet Cooper in the first game of the final series. The Cooper spectators were thrilled with two very fast and hard hitting games of hockey. The first game was a very successful one for Eldon Gray as he pocketed five goals and had two assists. Jerry Chapman came through with another hat trick and one assist. Eric Bailey and Brian Rollins each scored two goals.

The first period ended in a 3-3 tie. Cooper came out in the second period and scored three more goals and kept Hillsburgh down to one goal. The second period ended 6-4 for Cooper.

The third period proved very prosperous for Cooper as they scored six more goals, while Hillsburgh managed three. The game ended 12-7 for Cooper. Along with the high score came a high count of penalties. Cooper had seven penalties while Hillsburgh managed to pick up 10.

Summary:
1st Period
Eric Bailey - Glenn Graham - Eldon Gray;
Eldon Gray - Glenn Graham - Ralph Bailey;
Eldon Gray - Glenn Graham - Terry Chapman;

2nd Period
Jerry Chapman - Brian Rollins - Bob Chapman;
Eldon Gray - Eric Bailey - Glenn Graham;

Eric Bailey - Bob Chapman - Eldon Gray;

3rd Period
Jerry Chapman - Brian Rollins - Ralph Bailey;
Jerry Chapman - Bob Chapman;

Brian Rollins - Ralph Bailey; Eldon Gray - Glenn Graham - Eric Bailey;

Eldon Gray - Bob Chapman - Glenn Graham;

Glenn Graham had six assists.

Sunday's game, although it did not prove successful for Cooper, was a fast and exciting one. Cooper picked up four penalties in this game while Hillsburgh kept their count up to eight.

This game was a closer checking one than Saturday's game.

Hillsburgh scored the first goal and one minute later Jerry Chapman tied it up; but Hillsburgh came back and scored again.

MR. AND MRS. PHIL BEAUDRIE

Celebrate 50th Anniversary

Mr. and Mrs. Phil Beaudrie, who celebrated their 50th Wedding Anniversary at their home on February 24th, held open house in the afternoon and evening. A large number of friends, relatives and neighbours called to express their best wishes for many more years of wedded life.

Mr. and Mrs. Beaudrie (the former Florence Keller) were married in Frankford by Rev. Snell on the 20th of February, 1924. Their attendants were Regina Wyatt, sister of the groom, and Norman Keller, brother of the bride. Norman Keller is now deceased and Mrs. Wyatt was unable to attend because of ill health.

During the afternoon and evening, tea was served by nieces of the bride and groom. The guest book was presided over by Darla Davis, great niece of Mrs. Beaudrie.

Between the afternoon and evening calls, the immediate family sat down to a turkey supper.

During the day, Mr. and Mrs. Beaudrie recalled that, although this year there was no snow on the ground, 50 years ago the snow was so deep they were unable to go away on a trip because the trains were all snowbound.

Mr. Beaudrie spent his working days as section man and later on as foreman for the C.N.R. He retired in 1966.

Mr. and Mrs. Beaudrie were the recipients of many telephone calls and beautiful gifts, including a money tree from the brothers, sisters, nieces and nephews. Guests were present from London, Toronto, Colborne, Grafton, Oshawa, Bancroft, Belleville, Campbellford, Stirling, Frankford, Madoc and Marmora.

FESTIVAL OF VALUES DRAW WINNERS

Four draws were held this week in conjunction with the Festival of Values promotion.

There were two lovely necklaces given away, Joan Wood of Madoc a shopper at Eaton's, and Mrs. Jack Francis, R.R. 5, Madoc, who filled in a coupon at Kramp's Superstore, were the two lucky winners. (We were unable to contact Mrs. Francis this week, but her prize will be presented as soon as she is reached.)

Winner of the steak set was John Blackburn of Eldorado, whose coupon was drawn from Bert Jones Limited. The fourth winner of the week was a customer of Hulin's Garage and Farm Supply, Jim Armstrong, of Madoc. His prize

was a 'Miracle Edge' Cutlery set.

There will be four draws again next week. Watch for the coupons at participating dealers and fill in an entry each week.

HAROLD VARTY ON RADIO

Mr. Harold Varty of Tweed will be speaking on C.J.B.Q. Radio on Sunday, April 14th, at approximately 10:12 a.m.

Speaking on behalf of the Moira River Conservation Authority, Mr. Varty will talk about "Pollution."

Madoc Village Council Holds Special Meeting

A special meeting of Madoc Village Council was held in the Council Chamber on Wednesday, April 3rd, 1974, at 3:00 p.m. Mr. C. T. Rollins M.P.P., Mr. Alex Carruthers M.P.P. (Durham), T. W. Murphy, Municipal Engineer and Mr. Vernon Snell, District Municipal Engineer of the Ministry of Transportation and Communications, and all members of the Village Council present.

The meeting was called for the purpose of discussing problems associated with that section of #62 Highway from St. Lawrence Street south in the Village.

Mr. Snell stated that in the best interests of the Village Council would be well advised to assume this section of road under a Connecting Link Agreement with the Ministry. He suggested that the Village

might, under such Agreement, compete more successfully for Provincial improvement funds and would have control over building set-back and signs, etc. now under the control of the Ministry.

Mr. Rollins noted that the Village would, with its present population, be subsidized for 100% of maintenance costs but that if the population rose to 2500 within a few years that the local taxpayer would have to share the cost. Mr. Rollins inquired of Mr. Snell if there were any plans for a by pass of the business section.

Mr. Snell answered that he was not aware of any plans for a by pass.

Mr. Barton indicated that in his opinion there is no need for a by pass.

The Ministry officials brought up the problem of double parking and all night parking that interferes with snowploughing and other maintenance operations in this section of road.

Members of Council maintained that there has been few complaints or serious problems in this respect.

Mr. Murphy pointed out that the reconstruction of the road is not at the moment on the Ministry 5 year plan and also recommended that the Village consider a Connecting Link Agreement.

Mr. Rollins said that in his opinion the Ministry should make a definite indication to the Municipality regarding reconstruction, before the Village should commit itself to a Connecting Link Agreement.

Mr. Snell said that he had no authority to make such a guarantee but that it had been his experience that municipalities had been treated fairly in this type of situation.

Mr. Kincaid said that speaking as a merchant he could see no merit in any major change in the south approach to the Village nor of any consideration of a by pass.

He acknowledged the double parking problem but added that this could be rectified and added that he could see no advantage to the Village of entering into a Connecting Link Agreement at this time.

Members of Council agreed that the decision should be deferred until a later date.

Mr. Rollins stated that when the Village could arrange to complete the sewer services on south #62, that he would make every effort to have a priority established and money allocated for reconstruction.

Council adjourned until Monday, May 6th, at 7:00 p.m.

T. C. Barton, Reeve.
Tom Burnside, Clerk-Treasurer.

CAMPBELLFORD WINS INTERMEDIATE D CHAMPIONSHIP

(By Arnold Ross, Manager)

The Campbellford Clippers completed their season in grand style by winning the Trent Valley Intermediate D championship before a packed house at home, when they defeated Tamworth 5-3, to take the series four games to none.

Tamworth downed three games, came out fighting, and by the seven-minute mark of the first period had a 2-0 lead

on goals by Kerr and Hartman, only to have Harold Bailey put Campbellford back in the game. The period ended 2-1 for Tamworth.

In the second period, Campbellford came out and scored goals by Rick Wright and Dale Loucks in a finely-played period. The score at the end of this second stanza was 3-2 for Campbellford.

So it came to the third and final period. At the 13 second mark Dave Milne put Campbellford up 4-2, and at the six minute mark Craig Bennett put another one in past Tamworth's goalie. Barry Rountree scored the final goal of the game, and it was for Tamworth, who never gave up even to the dying end.

It was quite an evening, even for Tamworth, a first-year team in the League. But even more so for Campbellford, as a second-year club. The Clippers played great hockey under, at times, severe handicaps due to injury; with key playing while others were playing under handicaps. But all in all, a great team effort. If these boys stay together, they could have a good club for the future, as the average age is

23. They drew capacity crowds in both the series with Tweed, which went to seven games, and with Tamworth for four games.

So another season passes by and the Campbellford hockey team would like to thank their fans for such great support from this area. It is hoped this support will continue next season.

ST. PETER'S W.M.S.

The April meeting of the Missionary Society was held at the church. There were twelve members present for this Easter Service. Mrs. Bailey presided.

The worship service, in the April Glad Tidings magazine was followed with Mrs. Bailey taking the leader's part. The hymns, "Christ the Lord is risen today"; "The Day of Resurrection" and "Crown Him with many Crowns" were sung intermittently. Mrs. DeLine read two poems. The meditation based on the thought, "All In An April Evening, I Thought On The Lamb of God" was read by Mrs. Woods. Prayer in unison closed the devotional period.

The Easter Thank-Offering was received by Mrs. Lapalm and dedicated by Mrs. Blakely.

A film "Working Together at Likubula House" was shown by Mrs. Hawkes. The setting for this picture was at Malawi in South Eastern Africa. Here, different church groups gather together for work periods, recreation and discussions. They are interested in their specific role in the church and what is best for their youth.

Rev. Brian Crosby, a missionary there, tells about the first youth rally held at Likubula House in Malawi. Youth groups from Alberta and Saskatchewan contributed to the cost of transporting the Malawi youth to the rally.

Prayer closed the meeting and a time of fellowship followed.

John Blackburn of Eldorado was winner of the Steak Set in Friday's Festival of Values draws. Above, Bert Jones presents the prize to Mr. Blackburn, whose entry was made at Bert Jones Limited.

Mel Bronson, of Hulin's Garage and Farm Supply presented Jim Armstrong, left, with a Cutlery Set, as one of the winners in the Festival of Values Draws last week.

Above, left, Joan Wood is shown accepting her Festival of Values prize from Mrs. Audrey Pogue of Eaton's Catalogue Sales Office.

PART OF ME
IS MID-ATLANTIC
by Bill Smiley

When you travel close to 10,000 miles and meet about 500 total strangers in five days, not only the body but also the mind begins to get a bit scrambled.

I'm three days home from a crash trip to Germany. My body feels like an old rubber boot. My mind is like an Irish stew with very little meat in it. I'm not sure what day of the week it is, what time of day it is, or what my first name is.

Among us members of the jet set, this condition is known as "jet lag". In plain terms, it is total exhaustion.

Normally, I find it fairly traumatic just to change from Standard to Daylight Saving time. It invariably throws me out of gear for a couple of days.

But when you go through a time change of six hours, and then do it backwards within a few days, the human system can barely cope.

I feel as though my soul, or some other piece of essential equipment, is still back in Germany, or at least in mid-Atlantic, trying desperately to catch up with the bag of bones which is its usual habitat.

Just to complete the weird feeling of alienation, the weather lent a hand. Left Canada in a howling blizzard. Temperature in the Black Forest district in the sixties, flowers blooming everywhere. Arrived back home in — guess what — a howling blizzard.

All in all, I'm slightly unbalanced by the experience, so bear with me while I try to sort out some

impressions of my jaunt.

Was it really I who was belting along the autobahn a few days ago at 85 m.p.h., and shuddering as those crazy Siegfrieds went by us like a bat out of hell, doing at least 120? There is no speed limit on the autobahns. A "suggested" limit of 81 is the only guideline and nobody pays any attention to it.

Was it really I who climbed into bed with a featherbed at 4.30 in the afternoon and slept until five in the morning? Don't raise your eyebrows, gentle reader. A featherbed is not what you think. It's a huge down comforter, about 10 inches thick. As light as an electric blanket and as warm as four ordinary blankets.

Was it really I who sat over lunch with a gaggle of generals discussing how many tanks the Russians have and what "we" would do if they started anything?

Was it really I who sat in a "space ship" with four little Canadian kids, all of us wearing "space helmets" and joined them in the count-down?

Was it really I flying above cloud into the rosy-fingered dawn with two Dieppe veterans, one of them, Albert Brown of Sarnia, president of the Canadian Prisoners-of-War Association?

Was it really I standing, at a formal officers' mess dinner, drinking toasts to the Queen, the President of the United States, and Willi Brandt, president of West Germany?

Was it really I standing at a cocktail party talking to charming Sandy Morgan, a pretty Texan girl, and telling her I'd love to go along to Spain on a trip she was organizing for officers' wives, but that I really had only two days left?

I'm afraid all these questions must be answered in the affirmative. But perhaps they will give some idea of the mind-boggling five days I had.

One thing I did not do was something my wife, in a fit of pique, suggested I would. We were being entertained by friends one evening, just before I left. She was annoyed because she wasn't going.

"I have to drive through a blizzard to see my Dad", she snapped, "and this one's off to Germany with some Bittie Schoen". Her German is limited. Our friends are both fluent in German, and I've never heard anyone laugh harder. I give my word I wasn't off with Bittie.

LETTERS TO THE EDITOR

Dear Sir:

I have heard lots of remarks as to why Madoc does not have a Senior Hockey Team nor a Junior Club. They could have either one, with some work. First, there would have to be some work done to our present arena. Second, it takes money to operate a club in either class. Taking the expenses from the past year with Campbellford, it averaged out to a minimum of \$140 a week to operate. With the season starting about the middle of October, a Hockey Club needs two-hour practices at least three nights a week before the season starts at the first of November. Your practice time costs at least \$16-\$20 an hour and the stick bill averages out to around \$1300; then there is tape, phone bills, and gas plus the referees which average out at \$35.00 a game for two men, as well as your rink contract, your entry fee and Bond in the O.H.A., plus your equipment that also goes along with the operation of a hockey club. It is known the O.H.A. would like to see a club in the Junior League in this area. There are people in this area who can do this, but before you start you can figure on at least \$-6

nights a week to seek out players, for practice and play in order to have a winner. That is what you must have to break even or to make a dollar. An attendance of at least 2-300 fans per game is also necessary.

Yours truly,
Arnold Ross.

April 3, 1974

Madam Editor:

Please accept my sincere appreciation for the excellent coverage your paper gave to the recent rally of the Ontario Social Credit League rally in your area.

Unfortunately, I did not see the edition in which the rally was mentioned, but a number of people from your area attended and told me they learned of the rally from reading your paper.

As you might imagine I travel a great deal throughout our great province. At no place have I been treated with more courtesy than was extended by your community. The service station attendant who filled me in on local history as he washed the windshield, the restaurant proprietor who was so concerned that the hot dog have enough mustard, the audience which applauded my talk and the new members who joined Ontario's fastest growing political movement at the end of the rally. And, most all of you.

Thank you.
Sincerely,
D. Bruce Arnold,
Port Perry, Ontario.

KALADAR

Tamworth had a Euchre Tournament on March 27th, which everyone enjoyed. There was a trophy for 1st place. Napanee won the trophy, with 563 points. Kaladar came in second with 557 points. Players for Kaladar were as follows: Arthur Tryon, Gail Salmond; Bill Salmond, Mabel Hayes; Doug Scott, Evelyn Tryon.

Lennox and Addington Swimming Program held a Cribbage Tournament in Kaladar Community Hall Friday night, March 29th. A good crowd came. They served a lovely lunch. The two highs each won a trophy. They were Mrs. Geraldine Vanness and Mike Kosziwka both of Kaladar. Low was won by Doug Scott of Kaladar and Ruth Drysdale of Northbrook. There will be another Cribbage in Kaladar Community Hall on April 26th for the Kaladar Ball Club.

The Kaladar Community Club are having an Official Opening of their new Community Centre on May 11th at 8 p.m. Special speakers will be there. Donuts and coffee will be served.

An Easter Bingo will be held in Kaladar Community Hall (on 41 highway) on April 14th. Admission is 50¢ per person.

Quite a few people have had the flu here in Kaladar.

Gary Allan, son of Chester Allan of Kaladar is in Napanee Hospital with a virus on his chest and a cold. All wish him a speedy recovery and hope he is home soon.

Visitors at the home of Olive Tryon on Sunday were Mr. and Mrs. Gale South and two sons of Selby, Durland Scott, Doug Scott, Evelynne and Corinne Tryon of Kaladar.

LOOKING BACK

49 YEARS AGO
April 22, 1925
 A search party under the supervision of Police Constable M. A. Thompson, of Napanee, discovered the body of Sylvester Collins, an aged man near the village of Walton, north of Napanee, in the bush yesterday, having been missing from his home since the early part of November. A search was made last fall for him but as the snow was deep no trace could be found although from the position that the body was found in, recently, Provincial Police were at one time not more than fifteen yards from him. Mr. Collins was in poor health when he left home and it is presumed that he died from heart failure.
 A very pretty Easter dance and kitchen shower took place

at the home of Mr. Angus Nicolson, lot 14, 3rd concession of Madoc Township, on April 14th, in honor of the marriage of his daughter, Miss Mildred, to Mr. Arthur McCarey, of Sharbot Lake. Guests to the number of over 100 took possession of the house and after being called to order by Mr. Russel Pigden, the bride was asked to open the various mysterious bundles which were placed on the drawingroom table and read the names and little pieces of poetry that accompanied each gift. Among others was a pretty mantel clock sent by Mr. and Mrs. Rutherford, of Oshawa, and a cabinet of silver by Mr. and Mrs. C. Spry, of Bonarlaw. Mr. McCarey on behalf of his bride, thanked the friends and neighbors for their good

wishes and the many beautiful presents and extended to all an invitation to visit them in their new home at Sharbot Lake. Mr. A. Nicolson also spoke on behalf of the bride, saying that the occasion was unique in that it would be honored by such a gathering for the purpose of wishing a member of the family bon voyage on the sea of matrimony. Miss Mildred being the youngest daughter and the last to be married. He expressed his appreciation for the kind sentiments extended the last time the old home would be to the newly wedded pair and joined with friends and neighbors in wishing them every happiness and prosperity in future life. After a delightful lunch served by the ladies the remainder of the evening was spent in games and dancing.
 Durant Motors of Canada, Limited report that cars are being built at the rate of 75 cars per day at their Leaside plant now and efforts are being made to increase this production to 100 cars per day. Difficulty is being encountered in getting sufficient material for that production. Unfilled orders for the new Star Brougham alone total over 500. Profits shown on business for the month of March were highly satisfactory. Dealers, who are coming in to the factory in large numbers to drive cars away; report business prospects exceptionally bright.

24 YEARS AGO
April 13, 1950
 Extensive changes are taking place in two local places of business. The Empire Theatre is being renovated and when completed Madoc will be able to boast of a modern up-to-date theatre, second to none in any place of its size in Ontario. Part of the basement has been filled and a cement floor poured. This floor has been polished and the aisles and lobby will be covered with 5-8 inch carpeting. Modern seats will be installed and the entire building rewired. The entrance will be completely changed and will have a modern front with lighted canopy. The foyer will contain a ticket office and a candy bar. Besides the heating system, the basement will house wash rooms for both ladies and gentlemen. The theatre has been closed since April 1st and is expected to re-open the last week in April. Kincaid Bros. are also making major changes and are removing the brick partition between the meat and grocery departments. The butcher shop is being moved to the rear of the store and storage space built above it. The entire interior of the store will be redecorated.

The store will be closed on Monday, Tuesday and Wednesday of next week and will re-open on Thursday with a special money-saving sale.
 Friday, March 31st, all members of Building Products staff gathered to bid farewell to Mr. William Lister Phillips, as an active member of the crew. Mr. Phillips having reached the retirement age of sixty-five. In the absence of the President, Mr. L. S. Odell, the local superintendent after reading a letter from the President, presented Mr. Phillips with the First President's Purse. The President's Purse is a cheque for \$100 to be presented in the future to each member of the Building Products' pension plan on reaching the retirement age. Mr. Phillips was also presented with a Spring and Fall overcoat with scarf and gloves to match on behalf of the employees of the Madoc plant. Mr. Phillips was born in England and coming to Canada at an early age with his parents, settled on a farm at Remington where he lived until 1938. He joined Building Products in May 1943. In 1916 he was married to the former Nellie Mae Thomas, of Madoc Township, four sons and three daughters making up their family. We all wish Mr. Phillips many years of health to enjoy the more leisurely type of life.

Wedding — A quiet but pretty wedding was solemnized on Saturday, March 18th, at St. Mark's Presbyterian Church, Welland, with Rev. Davidson officiating, when Muriel Patricia, daughter of Mr. and Mrs. A. Maudsley, of Welland, became the bride of Mr. Thomas Leslie Brownson, son of Mr. and Mrs. Percy Brownson, of Madoc. The bride, entering the church on the arm of her father, looked charming in a redingote dress of navy lace faille over pink, with matching shoulder cape embroidered in pink and pink accessories. Her only attendant, Mrs. Marjorie McMullen, sister of the groom, as matron-of-honor, was dressed in pink taffeta with navy accessories. Mr. Bill Maudsley, twin brother of the bride, was best man. The reception was held at Rose Villa Lodge with the bride's mother receiving, in navy sheer, and the groom's mother, in brown embroidered bengaline, assisting. Amid showers of confetti the happy couple left on their honeymoon to Detroit, Mich., the bride choosing a navy suit for travelling. On their return they will take up residence in Toronto.

15 YEARS AGO
April 23, 1959
 T. Leslie Boyle, head of the Science Department at Belleville Quinte Secondary School for the past four years, has been appointed Principal of the Madoc High School. Mr. Boyle was born in Meaford, Ontario, and after receiving his public and high school education in that locality entered the science course in University of Toronto. He graduated with the degree of B.A. and also honours in chemistry. For eight years he taught at the Collingwood District Collegiate Institute and for the past four years in Belleville. Since going to Belleville, Mr. Boyle has taken an active interest in the work of the United Church and also the Boy Scout movement. He is a member of Tabernacle United Church and is a teacher in the church Sunday School. In scouting he is the acting Scout Master of the 8th Belleville Troop at Queen Mary School and also a member of the district staff. Mr. Boyle is married and is the father of five children, four boys and a girl. He will take up his new duties here at the starting of the fall term in September.
 Moira Lake is now free of ice. The last of the ice went out of the lake on Monday morning, a few days later than usual. During the past severe cold weather the ice reached a depth of 30 inches in places.
 The Madoc Art Club held their annual exhibit on Monday evening in the High School auditorium. A very interesting variety of work was displayed. During the adjudication of the exhibit, the members of the art class served refreshments to the guests. Mrs. T. Nicol poured tea and Miss L. West played background music for the evening. Mr. Cameron chose four exhibits to be entered in the Eastern Ontario Travelling Art display. They were "The Storm," a painting of horses by Luc Barker; Madoc High School by Margaret Connor; "Dahlias" by Xenia Pogacnik Edson; and "A Winter Scene," by Vera Burnside. Besides these four other pictures were chosen for honourable mention as follows: "Beeches" by L. Barker; "Winter Scene" by J. Borland; three paintings by Xenia Edson, Hydrangea, Spring

Flowers and a still life group; three paintings by M. Connor, "Doug and Keith Fishing," "The Old Tavern," and "My Old Home"; Harvest Scene by Edna Wood; Old Railway Pier by M. Wright; "Ice Storm," by Getha Burns; Winter Scene by Mrs. T. Nicol; Swamp Pasture by M. Atkinson; Hydrangea, by Vera Burnside, and a still life by Marion Livingstone.
 Engagement — Mr. and Mrs. Albert Bird, R.R. 3, Madoc, Ontario, announce the engagement of their only daughter, Lillian Mavis, to Donald Arthur Blackburn, son

of Mr. and Mrs. Leonard Blackburn, Eldorado, Ont. The wedding will take place on Saturday, May 16, 1959, at 2 o'clock, in Cooper United Church.
 Births — In Belleville General Hospital, on Saturday, April 18, 1959, to Mr. and Mrs. Harry Brown, a son. In Belleville General Hospital, on Sunday, April 19, 1959, to Mr. and Mrs. Gordon Lebow, a son.
 Glenn and Carolyn (nee Reid) Blackburn announce the birth of their son, David Glenn, on April 9, 1959, at Huntsville Memorial Hospital.

BAY OF QUINTE CONFERENCE NEXT WEEK

The New Creed will be the theme of the spiritual retreat to be conducted by Dr. Bruce McLeod, Moderator of the United Church of Canada, at the annual meeting of the Bay of Quinte Conference United Church Women.

The meeting will be held on Wednesday, April 17th, at 9:00 a.m. at St. James Church, Peterborough.

The Conference begins Tuesday, April 16th, with registration from 11:00 a.m. to 1:15 p.m. The outstanding afternoon feature at 1:30 is a panel on Chaplaincy work, with chaplains to the deaf, the Chinese, hospital work and penal institutions participating.

Rev. Tom Edmonds, who is presently at Columba House, Montreal, will speak on his work there, in the evening. He will tell of his experiences as an Agriculturist Evangelist in Brazil.

All interested people are invited to attend. Anyone wishing meals or billet is asked to contact Miss Clara Seens, 170 Aylmer Street, Peterborough, phone 743-3806.

ENERGY AGREEMENT

Prime Minister Trudeau and Canada's provincial premiers reached a 12-month agreement establishing a single national price for domestic and imported oil.

The Prime Minister and the provincial leaders agreed to increase the price of Western Canadian crude oil to \$6.50 from \$4.00 a barrel.

The federal government will continue to subsidize oil prices to consumers in Quebec and the Atlantic Provinces.

The increase in the price of crude oil to \$6.50 a barrel is still about \$4.00 below the world price.

Following the agreement, Prime Minister Trudeau told a press conference that "it couldn't be a better day for federalism."

BILINGUALISM PROGRAM

Secretary of State Hugh Faulkner announced a five-year renewal of the federal

provincial program on bilingualism in education.

The aim of the program is to ensure that parents of either official language have the opportunity to educate their children in their own language and to enable students to learn the other official language as a second language. Some \$70 million will be spent on the program annually.

URBAN ASSISTANCE

The Liberal Government recently won a vote of confidence on its new \$100 million urban demonstration program.

The program, introduced by Urban Affairs Minister Ron Basford, will provide funds for such projects as a new sewage system to eliminate wastes flowing into the Okanagan water basin; complete redevelopment of the Halifax waterfront; relocation of the Oshawa airport and converting it into 600 acres of residential land; and new methods to redevelop decaying downtown areas in Canadian cities.

Proposals for projects can be put forward by federal departments and agencies, by provinces, by municipalities, by the private sector and by individual Canadians.

LIBERALS RE-ELECTED

The Liberal Government of Premier Gerald Regan was swept back to power in Nova Scotia's general election.

The election gave the Liberals 31 seats, the Progressive Conservatives 12 seats and the New Democratic Party 3 seats.

The three party leaders, Gerald Regan, Conservative John Buchanan and the NDP's Jeremy Akerman all won easy re-election.

COOPER

Sympathy is extended to Mrs. Elmer Chambers and family and relatives on the passing of her father Mr. Wm. Irwin last week.

The final Lenten Bible Study Group was held at the home of Mrs. C. B. McCoy on Wednesday afternoon with a good attendance. Many thanks to Rev. Mr. Sedgwick for the most interesting and helpful Study Sessions these past four weeks.

Mrs. Leonard Graham returned home last Monday after spending some time with her sister and husband, Mr. and Mrs. Elmo Blackman, Detroit, U.S.A.

Little Miss Anne Graham

Bannockburn

Mrs. Keith Fenton and daughter, Angela, Marmora spent a couple of days last week with Mrs. Thos. Sandford.

Mr. and Mrs. Ray White and Brenda, and Mrs. David Howe and Angela, Lindsay, spent the weekend in town.

Mr. and Mrs. Thos. Draddy, Belleville were guests of Mr. and Mrs. Harris, one day last week.

Rev. George Folk was guest speaker at the Tabernacle on Sunday morning.

Mr. and Mrs. Frank Palmer attended the wedding of their granddaughter (Roxanne Keller) at Madoc Wesleyan Methodist Church on Saturday.

Quite a number attended Zion Church at Gilmour on Friday where Rev. Montgomery was speaker.

Local & Personal

Mr. Tom Sandford attended the District Convention of the Royal Canadian Legion in Peterborough on April 6th & 7th.

YOU STILL HAVE TIME!

TO BENEFIT, YOU MUST FILE BOTH:
a) Federal income tax return
b) Ontario Tax Credit Form
EVEN IF YOU DON'T PAY INCOME TAX.

Get your fair share of Ontario's new \$300 million tax credits.

Families, pensioners, roomers, boarders, the handicapped and others will benefit. Ontario's new Tax Credit System provides for three separate credits:

1. People who own or rent (including roomers and boarders) may share in the Property Tax Credit.
2. People who fill out a Federal income tax return may share in the Sales Tax Credit.
3. People over 65 may share in the Pensioner Tax Credit.

Even if you don't pay income tax this year, please be sure to fill out and file both the Federal income tax return and the Ontario Tax Credit Form. They both come in the same envelope—you will find the Ontario Tax Credit Form on pages 2 and 3 of the T1 Schedules.

is pleased to announce
that he has sold the

OUTBOARD MARINE

Division of his business to
a former employee

MR. CARL DERRY

Our total stock of parts and bins have already been moved to CARL'S location on South Durham Street.

The special equipment is being moved this week so that CARL will have the same complete parts and service to offer that was originally set up by Mr. Derry Sr.

I would like to thank the people of Madoc and District for the support and the purchases made in our Marine Division. I am proud to extend best wishes for success to CARL and his wife Beverly.

The February meeting of Cooper and Remington Women's Institute was convened by the committee for Agriculture on Wednesday, the 20th, with Mrs. E. Trotter as hostess. Assistant hostesses were Mrs. L. Courneyea, Mrs. S. Parks and Mrs. R. Kavanagh.

The meeting opened with the Ode and Collect. There were 15 members present, two visitors and 12 children. A reading was given by Mrs. G. Holmes. The minutes of the previous meetings were read and approved. It was decided not to sell the fence surrounding the school building. A set fee was decided upon for both turkey and beef dinners. It was also agreed that the W.I. send the names of the officers and their position along with a resume of how the Institute supports the community and the different non profit organizations and how funds are raised to do so, to the special edition of the Belleville paper. The meeting was then turned over to the conveners.

Roll call was, "Name a foreign fruit in our home and

how we use it. This was answered with a variety of ideas.

The topic, "Utilizing the

Corn Crop", was given by Mrs. E. Graham. She told of several uses for corn right here in the community. It was

indeed a very interesting reading with a great deal of thought and research having been put into it.

A contest on fruits and vegetables was given by Mrs. G. Rollins. It was a humorous contest enjoyed by all. Mrs. E. Ferguson was the winner. A second contest was given by Mrs. E. Trotter on Canadian Industry. It was a scramble-gram of local industries, which proved to be very interesting, and was also enjoyed by all. Mrs. E. Graham was the winner.

Collection was taken and the

meeting closed with "O Canada".

Lunch was served by the committee, after which a friendly discussion among the members followed, to conclude a delightful afternoon.

The Family conveners had charge of the March meeting. Hostess was Mrs. L. Courneyea, with Mrs. C. McCoy, Mrs. H. Brady, Mrs. D. Chapman and Mrs. R. Chapman as assistants. Thirteen members and one visitor were present.

The Ode and Collect opened the meeting, after which Mrs.

Ruth Holmes gave a humorous reading. The minutes of the previous meeting were read and approved. A report on the auction sale was given, and the annual meeting was planned for next month. It will be held at the school, beginning with a pot luck dinner.

At the conclusion of the business, the meeting was then turned over to the conveners. Roll Call, "Safety Tips", was well answered.

Mrs. C. B. McCoy gave the motto, "Look Before You Leap". An interesting round

discussion was held on the topic, "Is Your Home a Death Trap?"

The meeting closed with "O Canada" and lunch was served by the committee.

TODAY'S CHILD

BY HELEN ALLEN

THE TORONTO SUN SYNDICATE

A pleasant smile and a pleasant personality add up to Doug, a pleasant boy.

Just-turned-10, Doug is Anglo-Saxon and French in descent. English-speaking, he is learning French. Doug has shining blonde hair, blue eyes and fair skin. He is slimly built and in good health.

Doug has a speech defect which is being helped by speech therapy. He is not self-conscious about it and does not let it interfere with his enthusiastic conversations. The therapist says his progress is good but he will continue to need therapy for some time.

Considered to be a slow learner, Doug is in a special class, joining the regular classes for music, gym and French. Gym is his favorite. He likes school and looks forward to going every day.

Doug is a neat youngster who likes to keep things in order, both in school and in his foster home. He is interested in mechanical things and good with his hands, handling tools well. He is keen about horseback riding and fond of skating, bicycling and basketball. He is fond of music and may have some talent. Doug's social worker says he is a kind, gentle, sweet-natured lovable boy. He needs a family where those qualities will be valued and where there is no pressure for academic achievement.

To inquire about adopting Doug, please write to Today's Child, Ministry of Community and Social Services, Box 888, Station K, Toronto M4P 2H2. For general adoption information, please contact your local Children's Aid Society.

SERIES TIED

(Continued from Page 1)

The first period ended 2-1 for Hillsburgh.

Hillsburgh scored at the two and the six minute marks of the second period. The game remained 4-1 for Hillsburgh until 19:28 when Jerry Chapman scored. Within 13 seconds Jerry scored again; this was his third goal to give him another hat trick. At the end of the second period the score was 4-3 for Hillsburgh.

Determined to stay ahead, Hillsburgh came out in the third period and scored two quick goals at the two-minute and five-minute mark.

It was end-to-end hockey, only with time out for repairs to the injured until the 16:21 mark and Larry Rollins scored his first goal of the series; one minute and thirty one seconds later Brian Rollins scored.

With one goal behind and forty-five seconds left, Cooper pulled their goal tender. With six players, Cooper was unsuccessful in scoring that most important goal. The game ended Hillsburgh 6, Cooper 5.

Summary:

1st Period
Jerry Chapman - Ralph Bailey
Larry Rollins;
2nd Period
Jerry Chapman - Ralph Bailey
Brian Rollins;
3rd Period
Jerry Chapman, unassisted;
Larry Rollins - Eldon Gray - Glenn Graham;
Brian Rollins - Jerry Chapman - Doug McCoy.

The Cooper team will play in Hillsburgh this weekend. All the Cooper fans who will be able to be there, will be giving their team all their support, with the hope of cheering them to a victory.

WEDDING

Fitzgerald - Putnam
Niagara Falls, N.Y. - Wedding vows were exchanged Saturday, March 9th, 1974, by Miss Janice Anne Putnam and W. Douglas Fitzgerald in Our Lady of Lebanon Church.

The bride is the daughter of Mr. and Mrs. Joseph C. Putnam, 1837 Niagara Ave. The bridegroom is the son of Mr. and Mrs. Jack W. Fitzgerald, 2956 Niagara Ave.

Given in marriage by her father, the bride wore a white organza and lace gown with empire waistline and seed pearl trim. A matching Camelot headpiece secured her veil and she carried a bouquet of white carnations with blue and white baby's breath.

Miss Carol Putnam was maid of honor for her sister. She wore a pink crepe gown with empire waistline, a matching hood and carried a bouquet of roses and baby's breath.

Bridesmaids were Mr. Gerald Whitehead, sister of the bride, Miss Terry Dawson and Miss Janis Lanterner, Alleghany, N.Y.

Phillip Perkins was best man. Ushers were Allan Seward, James Phillips and Michael Putnam, brother of the bride.

A reception was held in the LaSalle Sportsmen's Club. The newlyweds are residing at R.F.D. #1, Box 427, Saranac Lake, N.Y. 12983.

The bride is a graduate of the State University College at

Cloyne Needles and Pins

The Cloyne 14-H Club, "Needles & Pins", have now completed their project on "Accessories for the Bedroom".

The leaders were Mrs. Rowsome and Mrs. Watson. The members of the club were: Karen Kay, Karen Meeks, Gale Wagner, Ann Rowsome, Rhonda Meeks, and Wendy Wagner.

Gale Wagner was elected President; Ann Rowsome, Vice-President; Karen Meeks, Press Reporter; and there was a floating secretary. Meetings were held at N.A.E.C.

Some things the girls made were dresser scarves, cushions bulletin board covers, covered articles with mac-tac, and made many other attractive things.

On behalf of the girls in Cloyne 1, I would like to thank the leaders for their help in making this club an enjoyable one for all of the girls.

Karen Meeks, Press Reporter.

Madoc Residents Take Pride In Home Ownership

A special "Salute" to the Homeowners of Madoc! Your taste in homemaking would make any community proud. The city and farm home in this area depict the prosperity that Madoc enjoys. Madoc's homes will always stand as a challenge to other communities. You, Mr. and Mrs. Homemaker, are indeed to be congratulated for the way you keep adding to your home's comfort and beauty. Some of you are fortunate enough to have the ready cash you need to keep your homes the way you want them, while others must operate your homes within a limited budget. But whether you run your home on a budget or with unlimited capital, you can have any type home you desire. The local financial institutions can and will finance most types of home construction or improvements. If you feel your home is not up to par and in need of repairs or modernization, consult any local contractor or building material firm, interior decorator, paint store, furniture or appliance dealer. Tell them your wishes, and they will supply you with the latest material, dependable labor and best possible service - all at a price to fit your budget. You, as a homemaker, should take advantage of these wonderful opportunities while our nation is at peace and enjoying an all-time prosperity. Now is the time to build that extra room, sun porch, bath, new kitchen, patio, install central heating or air conditioning. The Madoc merchants are proud of the part they have had in making your homes more enjoyable. Therefore, it is with great pleasure that they honor you with "Festival of Values" this week. Check the "Festival of Values" advertised in this edition of the Review and shop firms displaying "Festival of Values" posters for special bargains that you can't afford to miss: Wilson's, Pigden Motor Sales, Hagerman's Sports & Cycle; Ross Ladies Wear, Armstrong Motors, Madoc Frigid Lockers, Miller's B.P., Pigden Radio & T.V., Johnston's Pharmacy, Bert Jones Ltd., Stickwood's Dry Goods, Brett's Garage, Garage and Farm Supply, Embury Builder's Supplies, Kincaid's I.G.A., Frank Down-Nickle's Jewellery, Ed Kramp ney Insurance, Beamish Store, & Son Supertest, Madoc Mother's Restaurant and Co-Op, Canadian Tire Store, Eaton's Catalogue Sales O'Riordan Grocery, Hulin's Office.

FIRST ON THE SCENE

You're driving home when suddenly it happens. The car ahead seems to lose control. Tires scream. It leaves the road and hits a tree. Silence.

What do you do when you are the first on the scene? There are no rules, because every crash is different. The Ontario Safety League offers the following facts to guide you:

1. Stop immediately. Park far enough away from the crash scene to protect it. Turn off ignition of damaged car immediately. Flag down the first approaching cars and ask the drivers to assist in warning other traffic from both directions.
2. Help the victims. Administer first aid if qualified. Do not move seriously injured people unless absolutely necessary. Rescue experts estimate that 80 per cent of the people injured in cars are pulled out by frantic rescuers - and many are made worse, or even killed. If they are lying on the road, leave them there and take steps to guard them from traffic.
3. Halt passing cars and send them in opposite directions to find telephones and call the police. Remember, police say that if only one car is sent, its driver may go miles, find no phone and give up.
4. Often accident victims appear to be trapped when they are merely held by a foot twisted under a seat. Crawl in and gently release the foot. If the driver is trapped between the steering wheel and his seat, pressure can often be eased by releasing the seat catch and gently inching the seat back.
5. Don't attempt to lift a car. Thousands of people get hurt all over again because motorists try to lift cars, find they can't and let the car fall back.
6. If you are not skilled at first aid, you can render the following assistance while waiting for the ambulance: Cover the injured to keep them warm. Loosen collars, ties, belts, without tugging, to help them breathe easier. Keep the victim's head to one side if he is lying on his back. Slow heavy bleeding by pressing a folded pad of the cleanest cloth available firmly over the wounds. Don't press on a head wound. . . the skull may be fractured. Talk to the injured. Never tell them anyone else has been killed or is badly hurt; say help is on the way. Rescue officers say they even hold their hands. "A firm handgrip seems to give them courage." Send someone to find boards on which trained first-aiders can carry victims flat should the ambulance not arrive, and locate a truck on which the victims can be carried flat if transportation is needed.

About one car in seven catches fire in a crash. If fire doesn't start right away, it will rarely start afterward. If you notice smoldering under the hood or dashboard, don't panic. Disconnect the battery (be careful not to let the hot wire hit metal and cause sparks), locate the fire and attack it with a fire extinguisher, dirt or a blanket.

FINANCIAL STATEMENT

Townships Of Elzevir and Grimsthorpe

March 27, 1974.

The Reeve, Members of Council, Inhabitants and Ratepayers of the Corporation of the Township of Elzevir and Grimsthorpe.

We have examined the 1973 financial statements of the Corporation of the Township of Elzevir and Grimsthorpe, which are listed on the attached index. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion, these financial statements present fairly the financial position of the Corporation of the Township of Elzevir and Grimsthorpe as at December 31, 1973, and the results of its operations for the year then ended in accordance with accounting principles, generally accepted for Ontario Municipalities, applied on a basis consistent with that of the preceding year.

FRIENDLY HINTS

TIPS ON SECOND MORTGAGES

A second mortgage may be the best way to get the house you want or to raise urgently needed money. But handled unwisely, a second mortgage can be a major source of financial difficulty for the average Canadian family. You could even lose the house you have worked and saved for. To prevent this, you will need to ask questions and use caution.

Second mortgage rates are not all the same. They can vary depending upon the amount of equity you have in your house and in some cases according to your income and your credit rating.

If you are getting a five year second mortgage and plan to save money by paying it back sooner — check to see if there is a penalty clause first.

Following are some suggestions issued by the Registrar of Mortgage Brokers which you would be well to consider...

- Always use your own lawyer. It really is worth it.
- Try to deal directly with a lending institution such as a bank, credit union (landmark Savings & Loan) or trust company. They may be able to offer you a new first mortgage with an interest rate lower than the combined rate on your present first mortgage plus a new second mortgage. They may also be able to help you get a second mortgage at the best available interest rate and with fewer additional charges. If you need to use a mortgage broker, find out his total fee in advance. Shop around.

- Try to avoid borrowing against your house with a second mortgage to buy consumer items or to pay off consumer debts. Keep it as an asset in case of real need. It's not a good idea to put your house in a vulnerable position. Better to have a washing machine repossessed than your house.

- Don't refinance your house at high interest rates so that you lose your present lower interest rate first mortgage.

- Always add in all brokerage and legal fees to the total cost of the house you are buying. Don't leave yourself short at the last moment because you forgot about the extra.

- The lender or broker must give you a Statement of Mortgage form, which sets out clearly the important points of the mortgage contract, at least 24 hours before you are asked to sign the mortgage contract. This is the law in Ontario. Make sure you get this form and study it closely.

- If you get into trouble, write to:
The Registrar of Mortgage Brokers,
The Ministry of Consumer & Commercial Relations,
555 Yonge Street, Toronto, Ontario.

THE VOICE OF MADOC AND CENTRE HASTINGS
HASTINGS COUNTY'S OLDEST WEEKLY NEWSPAPER

Number 16

Established April 6, 1877

Second Class Mail Registration Number - 1016

WEDNESDAY, APRIL 17, 1974

Doug and Harold Pigen of Pigen Motor Sales congratulate Mrs. Maryon Masters of R.R. #1, Madoc, on being the lucky winner of a steak set in the Festival of Values draw.

MISSING JUVENILES FOUND

Three Madoc area juveniles were located on the weekend, after being reported missing to the local detachment of the Ontario Provincial Police on Thursday, April 11th.

The three, two girls and a boy, have all been charged under the Juvenile Delinquents Act with break, enter and theft of a Madoc Township residence as a result.

The boy was located on Friday afternoon and the girls were found together on Sunday at around 6:30 p.m.

DOCTOR WINS ON LOTTERY

Staying home to watch television paid off for Madoc's only dentist, Dr. Raymond Kurys, on Monday evening.

His ticket in the Olympic Lottery, number 226157 proved lucky, as the last four digits matched those of one of the big winners.

No other local winners had been brought to our attention at press time, but it is pleasing to see even this small portion (\$1,000) of the eight million dollars in prizes come to Madoc.

EDUCATION WEEK '74

Education Week '74 is April 21st to April 27th, and all schools in this area will be holding special events in conjunction with it.

The theme of the week across Ontario is "Communicate to Learn to Communicate", and the official opening is to take place in Brant County on Sunday, April 21st, in the Brantford Community Centre. As an item of interest, Education Week '75 is to be officially opened here in Hastings County for the whole province, the dates being April 20th to 26th, and the theme being suggested is "Education and Co-Operative Community Enterprise."

Parents Invited To Be Students For A Day

Next Tuesday, April 23rd we are holding an open-day at Centre Hastings Secondary School as part of the Education Week activities. We invite all those parents who possibly can, to spend the day at school. We would like parents to replace their son or daughter, travel to school on the school bus, attend all classes and have lunch in the school cafeteria, exactly as the students do. There is one difference however. At the end of the day we would like some feedback. We would like to know what you approved of and what you disapproved of. We would like to know exactly what you thought of. See you on Tuesday. Please don't be late for home room registration.

THE CHAMPS!

C.H.S.S. Curling Champions and their coach, Doug Graham, proudly display their trophies. From left, are Mr. Graham, Patty O'Connor, Michele Rashotte, Debbie Simon and Lorraine Fargy.

C.H.S.S. GIRLS CURLING CHAMPS

The sport of curling finally got underway at Centre Hastings Secondary School this year. The girls team consisted of Lorraine Fargy, skip, Debbie Simon, vice-skip, Michele Rashotte, second, and Patricia O'Connor, lead.

The team, coached by Mr. Doug Graham, competed against various teams from other high schools in the Quinte District. Such teams consisted of students from schools in Picton, Trenton, Belleville, Bayside, Brighton and Madoc.

The curling league was run on a twelve week schedule and was composed of two divisions. In the first half of the season, the C.H.S.S. girls came out ahead. However, with Bayside winning the second half, the tie had to be broken. The Centre Hastings girls won and travelled once more to Belleville, where the final game was to be played against Brighton, who had won in the other division. Both teams played well and it was a hard-fought game, but Centre Hastings managed to win with a score of ten to seven, to become the new Bay of Quinte Champions.

Last year this same Brighton rink represented the Kingston to Cobourg district in the Ladies Junior Tankard Provincial Playdowns. It was only a

week previous to the final game against C.H.S.S., that this Brighton team won top place in the two-day Ontario High School Invitational Bonspiel. Unfortunately, the girls from C.H.S.S. could not attend this bonspiel which had been held in the London area.

To end the season, a banquet was held in Picton which consisted of a supper, a discussion of the past curling season and the presentation of the awards. The coach is very proud of these girls, since this was also their first year of competitive curling.

C.H.S.S. Students Discuss Independent Schools

(Contributed by C.H.S.S.)

Mr. Barry Wansbrough, headmaster of Hillfield-Strathallan College in Hamilton addressed the Town Meeting at Centre Hastings Secondary School on Tuesday, April 9th. His college is a non-sectarian 'independent school' which offers programs from kindergarten to grade 13. He briefly described many aspects of the college and invited our students to compare them with equivalent conditions at Centre Hastings. These included such things as the courses of study available, physical facilities, discipline procedures, student dress and hair styles, busing, and, of course, fees.

Mr. Wansbrough began by pointing out that independent schools are not in direct competition with the government-supported public school system. That is, they do not profess to provide a better, but rather a different, education for the student. They wish to be considered as a viable alternative by parents who are deciding what type of education they want for their child. One of the unique features of Hillfield-Strathallan College is the Montessori program for children ages 3 to 6. This

program is very effective in developing good learning habits and a positive self-image during these formative years. Much of the curriculum from grades 1 to 13 is similar to that for public schools and most, of course, be government approved. Since the total enrolment for all grades is only 600, they cannot provide as many optional courses as our students enjoy. However, they do have much smaller class sizes, which allows each student to receive more individual attention.

Mr. Wansbrough noted that the independent school attracts a very cosmopolitan clientele. Strangely enough (or perhaps not so strangely) many of the parents are teachers in the public school system or at the university. Many of the mothers have to work to pay their children's fees, which amount to about \$1450. per student per year. As may be expected, the idea of uniforms and curtailment of boy's hair styles did not meet with the approval of some of our students. However, there were others who found Hillfield-Strathallan College to be a very acceptable alternative.

Hillfield-Strathallan College headmaster, Barry Wansbrough, left, discussing educational facilities with C.H.S.S. students at a recent Town Meeting.

O.R.H.A. Intermediate "D" Series Still Tied

The Cooper Intermediate D Hockey Team travelled to Hillsburgh on the weekend to play the third and fourth games of the O.R.H.A. Intermediate "D" finals. The teams had met in Madoc for the first two games - each winning one. In Hillsburgh, Cooper won Saturday night's game 11-5 but lost Sunday afternoon, 11-5.

Saturday night's game was one for the players as well as the fans to remember. The Hillsburgh team had 15 penalties in the game, while Cooper had 7. It was a heads-up game on the ice as well as off the ice. The Cooper team skated rings around the Hillsburgh players. Their passing and positional playing just couldn't have been better. Along with the forwards and the defense, our goalie, Rodney Rollins, played an exceptionally good game of hockey.

Jerry Chapman again earned another hat trick, scoring two goals in the second period and one in the third.

Terry Chapman also showed his skills, as he assisted on four goals.

Summary:
1st Period
Eric Bailey, Jerry Chapman, Bob Chapman;
Ralph Bailey, unassisted;
Eldon Gray, Glenn Graham;
2nd Period
Bob Chapman, Jerry Chapman;
Eldon Gray, Glenn Graham;
Jerry Chapman, Terry Chapman, Brian Rollins;
Jerry Chapman, Terry Chapman;
Glenn Graham, Terry Chapman;
3rd Period
Glenn Graham, Eric Bailey;
Jerry Chapman, unassisted;
Eric Bailey, Eldon Gray, Terry Chapman.

The game ended while the Cooper players were congratulating each other, the Hillsburgh team proceeded to tell them what kind of players they were, (what wasn't what they wanted to hear). This little conversation just caused the Cooper coach a \$25.00 fine. As the Cooper team collected themselves and preceded off the ice, the Hillsburgh spectators took it upon themselves to prevent them from going into their dressing room.

But with the help of Cooper's private police force and the French connection, the players finally got off the ice. The O.P.P.'s were called in and this enabled the players to get onto the bus safely - only to have eggs thrown at the bus as we drove off. The excitement, which we thought was over for the night, even followed us to the restaurant where we had our meal. As the team and fans were quietly discussing the situation, two "streakers" made their way through the building. Unfortunately Marg Chapman couldn't get to her camera in time as Marg and Bob met the streakers at the door.

Sunday's game was a replay of Saturday night's game, but in reverse. Hillsburgh was the team who couldn't do anything wrong. Unfortunately there wasn't a traditional Cooper hat trick scored in this game. However, it was a bit more reversed as far as the fans were involved. The four O.P.P.'s who were there helped compensate for this.

Summary:
1st Period
Eldon Gray, Glenn Graham, Bob Chapman;
Doug McCoy, Eldon Gray, Glenn Graham;
2nd Period
Ralph Bailey, Brian Rollins, Jerry Chapman;
Terry Chapman, Larry Rollins;
3rd Period
Eric Bailey, Bob Chapman.

The Cooper players left Hillsburgh with many sore joints, but determined to go back on Saturday, April 20th, 1974 to play the fifth and deciding game at 7:00 p.m. Anyone wishing to go please call Fred Rollins or Terry Chapman.

The bus will be returning on Saturday evening. Your support is needed for these hard-working players to get the trophy.

SHOP LOCALLY FOR A BETTER COMMUNITY

Local and district merchants are entitled to the support of the citizens. They are established here, pay heavy taxes and oft-times assume more than their share of responsibilities of citizenship. The money that comes over their counters stays in the community, unlike that which goes to out-of-town merchants, which usually goes to someone who has nothing at stake in the community. By buying from your home-town merchant you are working for the advancement of your own community, for the money he has to spend is spent where he is established and where his interests are.

On the other hand, if you patronize some outside concern which does not give a rap about the community, you are lacking in loyalty to the community in which you live. Shop the Festival of Values section for all your needs from the following merchants: Wilson's, Pigen Motor Sales, Hagerman's Sports & Cycle, Ross Ladies Wear, Armstrong Motors, Madoc Frigid Lockers, Miller's B.P., Pigen Radio & T.V., Johnston's

Mr. and Mrs. Ralph Franklin, on the occasion of their Golden Wedding Anniversary.

Mr. & Mrs. Ralph Franklin Celebrate Anniversary

On Saturday, April 13th, 1974, Mr. and Mrs. Ralph Franklin celebrated the 50th anniversary of their wedding with a reception for family and friends at their home in Queensboro. A dinner was held at the Queensboro Women's Institute Hall for immediate relatives.

The couple were married at the manse on March 26th, 1924, by the late Rev. J. G. Nussey, and have resided at their present address since, except for two years, when they lived near Sudbury.

Mr. Franklin, 67, was born in Madoc Township and attended Remington School. He was a self-employed carpenter all of his life, and he trapped in the winter. Mrs. Franklin, 70, (formerly Catharina Clemens), was born in Lommel, Belgium, and attended school there. She came to Canada in October, 1919.

The couple have one son, William, of Havelock, and one daughter, Mrs. Betty LaPalm, of Madoc. They also have eight grandchildren and six

great grandchildren, all of whom were present at the reception.

The couple received many lovely gifts. A Provincial plaque was presented during the reception by Mr. Clarke T. Rollins, M.P.P., Hastings, and greetings were received from Premier William Davis of Toronto.

The tea table was appointed with a white linen tablecloth and gold bowls along the front. It was centered with a four-tiered wedding cake, decorated by their daughter Betty in white with gold roses, leaves and trim. A miniature bride and groom (the bride dressed in gold) stood on the top inside an inverted brandy snifter. Gold candles were on either side of the cake.

Guests, numbering approximately 150, were present from Madoc, Havelock, Beaverton, Toronto, Trent River, Marmora, Kingston, Ottawa, Harrowville, Deloro, Peterborough, Tweed, Stirling, Belleville and Queensboro.

UNITED CHURCH MODERATOR TO VISIT MADOC

Right Rev. N. Bruce McLeod

Dr. Bruce McLeod, at the age of forty-three, elected by the Church's 25th General Council at Saskatoon, is the youngest man ever to hold the Church's highest office. He also is the first to have been born into the United Church, rather than one of the denominations from which it was created in 1925.

Dr. McLeod will be in the Belleville area on Wednesday, April 24th, and will be making a visit to Madoc during the afternoon. In the morning he will be on C.J.B.Q.'s Open Line program. Then in the afternoon he will be at C.H.S.S. for a Town Meeting and also at Hastings Bible

Vision to be interviewed by Grant Ketcheson. (This tape will be shown to Cable viewers on May 5th.) In the evening, he will be at Bridge Street Church, Belleville, for an Indoor Family Picnic, 6 p.m., and a Public Meeting at 8:00 p.m.

Dr. McLeod has been an open, honest, and positive Moderator of the United Church. Typical of his outlook is the comment, "This is the greatest time to be a Christian in the whole history of the Church." Students of the area will have a unique opportunity to meet this dynamic personality at the Town Meeting at C.H.S.S. on April 24th.

Canvass For Cancer Fund Now On

The Madoc Branch of the Canadian Cancer Society is conducting a canvass for funds in Madoc and surrounding area. This Branch serves the area from Ivanhoe to Millbridge and a good deal of money donated is spent locally for service to patients.

It takes teams of volunteers to give of their time and strength to give hope a boost. The only source of funds is voluntary gifts from the public. If a cure for cancer is to be found it will be because of these gifts.

Some volunteer canvassers are still needed in some districts. If you would like to give as little as two or three hours it would be most helpful. You may contact Harold Brinnell at 473-4132.

Cancer can affect anyone at any age. Have you had a check-up lately?

ABOUT MY WIFE, KIDS
AND GERMANY
by Bill Smiley

This is going to be a shot-gun column, instead of the usual coherent, unified, lucid examination of a single topic.

I'm going to aim in all directions at once and pull both triggers. Reason is I've got to get ready to go to Germany on Sunday and have a lot to do. Like shine my shoes, and change \$12 into rubles or whatever they use, and get my wife to iron some shirts, and, uh, get her to pack my bag, and, uh, well, a lot of important things.

First of all, I've rediscovered a maxim that was already ancient when Moses looked out over the promised land: women are not only unpredictable, but unreasonable.

My wife had known for about a month that I might be going to Germany on the winter break. She thought it was great for me. "It'll be a nice change for you. And it'll do you good to get away from me for a few days. You must get sick of me."

I lied politely, as usual. Told her I didn't need a change, that I could suffer the thought of being separated, and that the very idea of being sick of her was nauseating.

Then I came home one day and told her it was all set, but that she couldn't go. "When?" she queried, knowing it would be several months off, and that there might be an earthquake or a flood or something in the meantime.

"Oh, I guess Sunday night," I responded casually, serene in the knowledge that she was in favour of the trip. She burst into tears.

My next topic also deals with the family, and with an aqueous event. Aside from a rainstorm, have you ever been soaked from a great height? I have. Last Sunday.

I was thoroughly enjoying playing with my grandson. He's old enough now to be played with, without fear that he'll break. I had him under the armpits and was hoisting him in the air, making those ridiculous sounds that would make grandfather blush crimson if they ever heard them on tape.

A look of pure glee passed across the kid's face, and I thought, "By golly, he knows me, and he's enjoying his grandad." Next second, I was soaked from shoulder to knee. It was warm, and at first I thought I'd burst a painless blood vessel. But it was the wrong colour.

It's not unpleasant at first. Rather like taking a warm, salt bath with your clothes on. It's when it begins to cool...

There's not much more to be developed there, so I'll turn to topic three: exams, which we have just gone through a session of.

Nothing is more depre-

sing than starting to mark a set of exam papers, and finding that the first five you mark are failures. You are filled with self-doubt. "Have I not taught them anything? I'm a failure as a teacher. I should go back to the shoe factory. If everybody fails, I'll be fired, because in this system, if you're teaching failures, you're a failure as a teacher, regardless of any other factors."

Then you pick up a paper and the student has understood what you've taught, and applied it, and used some brains of its own, and it's a ninety percenter. Hallelujah! And you're hooked for another year.

There is only one thing worse than marking exam papers. That is supervising the writing of them. The quaint old word for this function is "invigilating."

It sounds kind of dirty, but it isn't. Just utterly boring. You are figuratively locked in a room for two hours with about 35 teenagers. That alone is a fate worse than death, for some people. Personally, I'd rather be locked in with 35 students than with 35 balloons.

Then begins two hours of hell. The kids are supposed to be tense, nervous, straining every brain cell to do well. They're about as tense as a hibernating bear. Susie takes off her shoes, assumes a yoga position, and looks out the window. Jack's crutch, a relic of skiing and a broken leg, falls on the floor, and you jump a foot, while the victims snicker.

You resort, after the first hour, to such things as counting greasy hair versus washed hair, bras versus brasles, big clumsy boots versus sneakers. You look up at the picture on the wall of the Queen, on whom somebody has drawn a moustache. You fill in, with your imagination, sideburns, and realize the Queen would have been pretty dashing in 1580.

You look out the window at the dirty snow-banks and dream of a beach or a trout stream. You whip around, aware you were drifting, to see if anyone is cheating. Nobody is. Except Joe, who has given up after half an hour of tongue and pen working together, and is sound asleep, head on arms. An early fly buzzes.

Warned you this would be a shotgun column. But I think I've covered everything on the home front.

Next despatch will be from Germany. I promise it will be loaded with fraulein, gemutlichkeit, blut-wurst, putches and other Teutonic goodies.

Let's see now, if I remember my Deutsch. "Was machen sie hier? Wie vil hur ist es? Nich rauchen bevor der zug halte. Ich bin ein kriegesfanger. Wo bist die scheisshaus?" Reckon I'll get along.

WEDDING

Mr. & Mrs. Bernie Boegel

BOEGEL-MEEKS

A pretty winter wedding took place at Pine View Free Methodist Church on Saturday, March 9th, 1974, at four o'clock when Jessie Catherine Meeks, oldest daughter of Mr. and Mrs. Albert Meeks, became the bride of Mr. Bernie Boegel oldest son of Mr. and Mrs. Heinz Boegel of Harlowe.

Reverend Orval Thamer performed the double ring wedding ceremony. Wedding music was played by Mrs. Allan Kay. Mr. Allan Kay sang "O Perfect Love" and the "Wedding Prayer", while his wife accompanied him on the organ.

The church was decorated with pink and white bows and pink and white carnations. Given in marriage by her great-grandfather, Mr. James Meeks Sr., the bride wore a white floor length gown with an empire waistline, scoop neckline and full lace sleeves of nylon over satin skirt with lace top, a matching lace bonnet with finger-tip veil. She carried 18 red roses with white leaves.

The bridesmaid, Miss Penny Haight of Belleville, wore a forest green floor length gown of crimpole with a large white collar. She carried a nosegay of white with yellow centre daisies, with baby pink and white mums.

The best man was Mr. Dave Savigny of Northbrook. Ushers were Mr. Barry Meeks of Cloyne and Mr. Gordon Gary of Harlowe.

A buffet supper was held at Kimberley Lodge with the wedding dance in Cloyne Community Hall that evening. The bride's mother received the guests in a bright pink crimpole dress with a white orchid corsage, accompanied by the groom's mother in an aqua blue dress of nylon and crimpole with a white orchid.

Cathy and Bernie received many lovely and useful gifts. A delicious lunch was served after the dance.

The young couple will reside at 128 Le Brun Street, Apt. 1, Ottawa, Ontario.

Guests were present from Toronto, Ottawa, Lanark, Perth, Belleville, Smith Falls, Vennachar, Brockville, Cloyne, R.R. 1, Harlowe and Northbrook.

SENIOR CITIZENS REPORT

Mrs. Percy Broadworth, President, welcomed all to the regular meeting of the Madoc and District Senior Citizens Club at two o'clock in the afternoon of Wednesday, April 10th, in the United Church.

FRIENDLY HINTS

CO-OP WILL MEET
MEMBERS' NEEDS FOR
TWINE

UCO has overcome world-wide fibre shortages and price uncertainties affecting baler and binder twine in order to meet co-op members' requirements in twine this season.

Our unique - from Brazil to Ontario hay fields - twine program is expected to deliver up to 25 per cent more twine this year than ever before.

One boat will arrive in Toronto by mid-April with two more boats scheduled to dock by mid-May, thus providing as much of the "2549 line" baler twine as was delivered last year.

A further 50,000 bales are expected to arrive from Brazil in June. This increase should prove to our members that co-ops are always tops.

Once the boats are docked, truck deliveries will be scheduled to co-op retail outlets across the province and co-op patrons will be able to pick up their orders almost immediately.

The "2549 line", made in Brazil, is full weight, 40 lbs. gross per bale, full length and strength. We have not reduced the quality that has provided dependable field performance in the past, and careful comparison with competitive twines - don't just read the label, check the gross and net weight and calculate the price per pound, the number of feet per pound and see that the tensile strength will provide strong and secure bales - will prove to you that our program offers the best value on the market.

UCO has also limited quantities of domestic baler and binder twines available to augment its supplies. We are also marketing "Co-op Polypropylene baler twine, successfully marketed by U.S. Co-ops for the last four years, and available at prices somewhat lower than the natural fibre. This plastic baler twine is reported to have captured more than 10 per cent of the U.S. market and is growing each year. There will be no roto baler twine available this year.

We would like to emphasize that prices this year are up substantially from last year mainly because of higher prices for raw material.

base. The meeting opened by all repeating the Lord's Prayer in unison. Two humorous readings were given.

The members were pleased to welcome back Mrs. Velma Johns, after her recent injury. As Secretary, Mrs. Johns read the minutes of the last meeting and business was discussed.

It was announced that the bus will leave for Marmora at 7:30 p.m. from the United Church on April 24th for the Senior Citizens Variety Show.

As Mr. and Mrs. Clarence Farrow will soon be moving to their new home in Tara, Miss Loretta Connor spoke in appreciation of the great help they have given to many Societies in the Village and presented them with a gift from the Club.

Mr. Ken Bateman and Mr. Rutledge, who have been in hospital were at the meeting. Mrs. Getha Burns, is in Kingston Hospital and Mrs. Keitha Moorcroft in Peterborough Hospital. The members wish a speedy recovery to each of these ladies.

The male quartette, with

Mrs. Allen Ketcheson at the piano, from Eldora, favoured the meeting with two selections, which were very much enjoyed.

Miss Raney gave an interesting travelogue of her holiday in Spain and Portugal. The plane landed at Madrid, the capital, and from there they proceeded to many other cities and towns. Most of the buildings are of stone or marble, and the streets are very narrow and clean.

A record of Spanish music was played and some beautiful slides were shown.

A delicious lunch was served by the hostesses, bringing an enjoyable afternoon to a close.

IN MEMORIAM
GRiffin - In loving memory
of Norman Griffin who
passed away April 21st,
1972.
A cluster of precious memories
Sprayed with a million tears
Wishing God had spared him
If only a few more years
He left a beautiful memory
And sorrow too great to be
told.
But to us who loved and lost
him
His memory will never grow
old.
Ever remembered by the
Family.
16-1f

IN MEMORIAM
I would like to thank my
family, friends and neighbours
for their kindnesses, cards and
gifts while I was a patient in
Belleville General Hospital.
Thanks also to the nurses and
staff of fifth floor and to Dr.
Derry and Dr. Dosaj. A special
thanks to Dr. Morphy and Rev.
Thompson.
Charles Reid.
16-1

The family of the late Wm.
R. Irwin wish to thank
neighbours, friends and relatives
for the many acts of
kindness, for donations, floral
tributes, cards and expres-
sions of sympathy shown them
at the time of the passing of
husband, father and grand-
father. A special thanks to
Rev. Wendel Sedgwick and to
the ladies who served lunch.
Jo-Anne Stevenson.
16-1

We would like to thank
our relatives, friends, and
neighbours for calls, gifts,
cards and messages of con-
gratulations.
Special thanks to the com-
munity for their lovely gifts.
Also Mr. Clarke Rollins,
M.P.P. for presenting the
plaque and everyone who took
part in making our 50th
Anniversary a success.

MADOC TOWNSHIP OLYMPIC GAMES

I would like to start a "Madoc Township Olympic Games" mainly for adults but with events for all, some Sunday in June. It is hoped that the day would not be too strenuous, yet challenging, and above all, a heck of a lot of FUN!

However, I need to know certain facts before I can begin, namely: date preferred, number of participants, age category, sex, and events they would be interested in.

If you are interested, please check off the appropriate boxes and return to Mr. Robert Taylor, c/o Madoc Township School, R.R. #1, Madoc, Ontario by April 22, 1974.

Mr. and Mrs. Allen Frederick Sexsmith

St. Andrew's United Church, Queensboro, was the setting of the April 6th wedding of Elizabeth Ann Roushorm, only daughter of Mr. and Mrs. Wm. Roushorm, R. R. 2, Madoc, and Allen Frederick Sexsmith, son of Mr. and Mrs. Fred Sexsmith of R. R. 2, Madoc. Rev. W. M. Sedgwick officiated. Given in marriage by her father, the bride wore a white gown of peau-de-seole featuring a wedding-ring collar and empire waist. She carried a cascade of yellow roses. Miss Janice Rollins, Maid of Honour, wore a nylon chiffon

SEXSMITH - ROUSHORN

over taffeta gown in shades of mauve, yellow and blue. She carried a bouquet of mauve mums. Best man was Ray Sexsmith, brother of the groom. A reception was held at the home of the bride after the ceremony. The newly married couple travelled east on their wedding trip. Mr. and Mrs. Sexsmith will reside in Madoc.

TOWNSHIP OF TUDOR and CASHEL Financial Statement

AT DECEMBER 31, 1973

AUDITORS' REPORT

To the Members of Council, Inhabitants and Ratepayers of the Corporation of the Township of Tudor and Cashel.

We have examined the 1973 financial statements of the Corporation of the Township of Tudor and Cashel. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion these financial statements present fairly the financial position of the Corporation of the Township of Tudor and Cashel as at December 31, 1973 and the results of its operations for the year then ended, in accordance with accounting principles generally accepted for Ontario municipalities applied on a basis consistent with that of the preceding year.

Bethesda United Church Women

On Wednesday evening, April 3rd, the United Church Women of Bethesda Church met in the Sunday School rooms for their regular meeting. The meeting was called to order by the President, Mrs. Norma MacMullen, reading a poem, "Easter", and everyone singing the theme song and prayer.

There were fifteen members and three visitors present. Several calls had been made in the past month. Roll call was answered by an

Easter verse, Aileen Holland read the minutes of the last meeting. Norma Akey had the worship. Opening Hymn was No. 86, "When I survey the Wondrous Cross", with Marjorie Holland as pianist. Vera Francis read the Scripture, I Corinthians Chapter 15, Verses 1 to 11. Norma Akey read the story, followed by prayer, and everyone then repeated the Lord's Prayer. This closed with Hymn No. 115, "Crown him with many crowns", and

Benediction. The Treasurer, Ida Wickens gave a pleasing report. A business period was held. Ethel Francis had the program. She read a poem, "The Easter Season", Hymn No. 112, "Rejoice the Lord is King", was sung. Illa Mullet read a poem, "When it is Spring". Collection was taken. The meeting was closed with Hymn No. 98, "Beneath the Cross of Jesus," and an Easter prayer. A lovely lunch was served and a social hour was spent.

QUEENSBORO W.I. ANNUAL MEETING

Mrs. John Thompson was hostess for the April meeting of the Queensboro Branch of the Women's Institute, which was held in the W.I. Hall on Wednesday evening, April 10th.

The meeting began with a pot luck supper at 7:00 p.m., after which the business meeting was held.

The President opened the business meeting with the singing of O Canada, and the Ode and Mary Stewart Collect. The roll call, "Pay your fee and join again" was answered by 17 members. There were also two visitors present.

It was decided to collect for the Canadian Cancer Society again this year. It was also decided to send flowers to our shut-ins for Easter.

Mrs. C. A. McMurray was appointed as delegate to attend the District Annual to be held at Ithaca in May, with Mrs. Arthur Holmes as alternate.

The guest speaker for the evening was Mrs. George Empey of Marmora, District President, who gave a talk on the Mary Stewart Collect. Mrs. Roy Rollins thanked Mrs. Empey and presented her with a gift.

Reports of all conveners of committees and the treasurers report were given. The slate of officers for the coming year was read by Mrs. John Thompson.

Mrs. Empey was in charge of the Election of Officers, which follows: Past President, Mrs. Roy Rollins; President, Mrs. Ken Cassidy; 1st Vice President, Mrs. Mervil Lees; 2nd Vice President, Mrs. Frank O'Rourke; Secretary Treasurer, Mrs. Wm. Lynn; Assistant Secretary, Mrs. Roy Rollins; District Director, Mrs. Mervil Lees; Branch Directors, Mrs. C. A. McMurray, Mrs. Harold Tokley, Mrs. K. Armstrong, Mrs. H. Herche;

Spring Cleaning

Usually this spring takes about two hours. This week it's different. With springtime comes spring cleaning. So here are a few hints.

All kinds of new products are available to make this job easier for you and many of them come in spray containers. To get your money's worth out of these convenient cleaners and polishers, make sure you use ALL of the contents by observing certain usage rules. Should a spray not function properly, return it immediately to the store for replacement.

DO'S AND DON'TS:

Read and follow instructions given on the label. Make sure you buy the right product for the job; for instance, a high gloss furniture polish would be useless on floors because it does not provide a good walking surface. Always make sure the spray points in the right direction before spraying. Never smoke while spraying. Avoid spraying near fire or flame.

For more information about spring cleaning, write to me with specific questions. Or, if you prefer, write to Consumer Education Department, Johnson Wax, Racine, Wisconsin. Mr. Green is available to talk "telephonically" to you. Call 298-8533 or write - 300 The East Mall, Racine, Wisconsin, 53405.

THE VOICE OF MADOC AND CENTRE HASTINGS
HASTINGS COUNTY'S OLDEST WEEKLY NEWSPAPER

WEDNESDAY, APRIL 24, 1974

Number 17

Established April 6, 1877

Second Class Mail Registration Number - 1016

Centre Hastings Junior Girls Basketball team are from left: back row, Sherry Peters, Cathy Oliver, Melanie Sedgwick; centre row, Karen Whiteman, Sandra Chapman, Brenda Gabel, Tammy Twiddy, Geraldine Andrews, Mrs. Wanda Burnside, coach; front row, Dianne Campbell and Doreen Campbell.

Winners of the C.H. Jr. Boys Basketball Championship are the Madoc Township team, who are, from left, back row, Coach Robert Taylor, Brent McCoy, Darren Morrison, Ricky Brooks, Mark Powell, Robert Rivers; front row, Stephen Whyte, Larry Parks, Ernie Haughton and Wayne Walters.

Madoc Township School Again Tops In Tournament

The Madoc Township Central School students have excelled in the sports field once again.

On Monday, both the girls and the boys' Junior basketball teams won the trophy in the Centre Hastings Tournament.

The girls travelled to the Stirling Senior Public School for the competition, while the boys played host to four other teams in the Township School gymnasium.

Mrs. Wanda Burnside, coach of the girls' team, reports that everyone enjoyed the competition. She said the girls are all hard workers and they are a good team to work with. This was all summed up in the

pride with which she spoke. Meanwhile, at the Township School, teams from Madoc, Marmora, and Stirling Public Schools competed for the trophy in their division. Also, in the competition, on an invitational basis, was a team from Sir John A. MacDonald School of Belleville, who provided good experience for the Centre Hastings teams, but who were not eligible for the trophy. The tournament was run on a double elimination basis. DUE TO LACK OF TIME. By this method, a team is automatically eliminated after two losses. In the final

match, the Township boys won the best of three series in the third game against Sir John A. MacDonald.

Coach Robert Taylor commented that there was a high level of skill demonstrated by all teams. The sportsmanship was good, as was the teamwork.

Now, both the coaches and these two teams are looking forward to competing in a tournament on Friday, April 26th, when teams from all over the County meet for the overall championship. The boys will be playing in Stirling and the girls in Marmora.

Driver Charged

A former Madoc man has been charged as a result of dangerous driving in the village streets late Saturday evening.

At about eleven o'clock that evening, Constable W. Sawkins of the Madoc Detachment, Ontario Provincial Police, noticed a 1968 Dodge car being driven erratically and at high speeds up and down the streets. The officer pursued the vehicle and subsequently charged the driver, 21-year-old Dale Smith of Newmarket, with dangerous driving, impaired driving and refusing to take a breathalyzer test.

Fortunately, there was no property damage during the incident. Mr. Smith was alone at the time.

Linda Bailey enjoyed petting the guinea pig when she accompanied her mother on a visit to the Madoc Township Public School Tuesday during Education Week activities. Above, student Petra Veerman holds the rodent for Linda.

COOPER LOSE SERIES TO HILLSBURG

Hillsburgh won the O.R.H.A. Intermediate "D" Championship, by defeating Cooper 10-3 in the fifth game on the weekend.

The Cooper hockey team and an extra bus load of fans travelled to Hillsburgh on Saturday, April 20th for the third, but not last, time. Considering that this is their first entry into this type of series, the Cooper hockey team did extremely well. They defeated Sheffield out, who had played rural hockey before, and then took the play-offs to the fifth game. The win for Hillsburgh on Saturday is their fourth rural championship.

Hillsburgh opened the scoring with two very quick goals. The first goal came at the half-minute mark and the second one at 3:37. The play was end-to-end in this period, with close checking by both teams. The first period ended 2-0 for Hillsburgh. Penalties in the first period, Hillsburgh 4 and Cooper 2.

The second period was also very fast and close checking. Hillsburgh again scored first, at the one-minute mark.

Jerry Chapman opened the scoring for Cooper at 5:35 and scored again at 15:40. These two goals brought the score to 3-2 for Hillsburgh.

At the 18:17 mark and the 18:58 mark, Hillsburgh again scored two quick goals. Determined to stick with them, Jerry Chapman scored at the 19:46 mark, this making another hat trick for Jerry. The second period ended 5-3 for Hillsburgh, with each team picking up 4 penalties.

The play in the third period remained fast and with lots of hard hitting.

Hillsburgh again scored twice. First at the 6:10 mark and 15 seconds later they scored again. The play continued throughout the third period at a fast pace. Hillsburgh scored three goals in the last 9 minutes of play; making the score 10-3 for Hillsburgh to give them the Ontario Rural Championship for Intermediate "D" Hockey.

Although it was a high score for Hillsburgh, Rodney Rollins played a really good game in net for Cooper. Rodney stopped a lot of shots, that looked like sure goals.

The Hillsburgh goalie was also very sharp. He robbed the Cooper team of several key goals which could have changed the scoring results, especially in the 1st and 2nd period.

Cooper picked up 7 penalties in the third period, and Hillsburgh 5.

Because of the high cost of keeping the ice in the arena for the fifth game and the high wages, and Hillsburgh had to pay two off-duty O.P.P.'s to be at the game as well as the referees. Hillsburgh claims they had a deficit when it came time to divide the gate money.

With approximately 60 Cooper fans and the large

crowd from Hillsburgh, it must have been the high cost of "eggs" that put the gate receipts to nil.

The Cooper Hockey team came home without the trophy, but with the knowledge of what type of hockey is expected for these series. With this experience, the Cooper fans and players are sure to be back next year.

A special thanks to Doug

Chapman who drove the players to Hillsburgh three times. Each trip was approximately 450 miles.

Also, appreciation goes out to Elwood Graham, who drove his bus to Hillsburgh on Saturday and to all the fans who went to support the team; to those who donated money to the team and to anyone else who helped the team in anyway. "Thank You."

On behalf of the Madoc Agricultural Society, President David Franks, right and Grant Ketcheson, left, called on his Clarence Farrow this week to extend appreciation to him for his many years of service to the Society. Mr. Farrow is Immediate Past President. He and his wife, Lavina, are leaving this community, after residing in Madoc for a number of years. Both had been active in their community, belonging to bowling clubs, and other local organizations. Mrs. Farrow served as Treasurer of the Madoc Women's Institute during the past few years and received a token of appreciation for this at last month's meeting. In recognition of 34 years active membership in the I.O.O.F., during which time he has sat in nearly every office, Mr. Farrow was presented with a lovely gold watch on behalf of the Order by Mr. Cecil Hagerman last Wednesday evening at the regular meeting.

C.H.S.S. GYMNASTS SPRING INTO FOURTH PLACE

Women's gymnastics is starting to flourish at C.H.S.S. With only six girls, the team managed to place 4th out of 9 schools at the Bay of Quinte Championships held at Bay-side Secondary School on April 10th.

Kim Clarke, Lori Sutton, Sherry Twiddy, Diane Piszczek, Dianne Wilson and Karen Keller represented C.H.S.S.

Women's gymnastics is comprised of four events —

uneven parallel bars, balance beam, floor exercise and vaulting. A gymnast may compete in all four events or may specialize in one.

The divisions are Novice — those gymnasts with little or no previous experience; Intermediate — those who have placed 1st, 2nd or 3rd in novice the previous year, and Advanced — those gymnasts who have placed 1st, 2nd or 3rd in the intermediate division during the previous year.

The C.H.S.S. team, with the exception of Karen Keller, competed in the novice division. Karen competed at the advanced level.

Karen was successful in bringing home a 1st in uneven bars; 3rd in vaulting; two 4ths in balance beam and floor exercise and placed 3rd all-round in the advanced division.

Karen went on to compete at C.O.S.S.A. in Whitby on Saturday, April 20th.

C.H.S.S. Gymnasts, who placed fourth in the Bay of Quinte Championships, are, from left, back row, Sherry Twiddy, Karen Keller, and Dianne Wilson; front row, Kim Clarke, Lori Sutton, Diane Piszczek and Betty Pyear (coach).

EDUCATION WEEK '74

"Communicate to Learn to Communicate" is the theme of Education Week '74 being observed this week across the Province.

Special events are being held at all the schools in the area. Included in these is an invitation to the parents of the students to sit in on the classes for a day.

On Monday, the announcement of the winner and presentation of the Sir Mackenzie Bowell Award for

"Educator of the Year" was made at the Week's official opening. The presentation was made to Edward J. Buckley at the Education Week Breakfast at the Sun Valley Motel in Belleville. Mr. Buckley is the Director of Manpower Re-training Division, Loyalist College of Applied Arts & Technology. Quietly efficient, he has been active for many years in education on several different levels and has made significant contributions to the made until the social evening cause of education, locally and provincially.

Friday evening, April 26th, the Centre Hastings Education Week award will be presented to the person selected as having rendered meritorious

service to education in the Centre Hastings area. Deadline for nominations for this award was Friday, April 19th, and the ballots have now all been collected. The announcement of the winner will not be Friday night.

A dinner has been planned for that evening by the committee. This is to be followed with dancing to Murphy's Orchestra. All staff members, secretaries and custodians of the various schools in the Centre Hastings area are planning to attend the event.

Anyone who would like to attend is welcome. Tickets for reservations are available by phoning Mr. Dudley Hillier at C.H.S.S., 473-4251.

M.P. INJURED IN PROPANE EXPLOSION

Jack Ellis, M.P. Hastings, narrowly escaped what could have been very serious injuries on the weekend when the propane stove he was lighting exploded.

On Saturday morning, Mr. Ellis was preparing for his scheduled visit to Marmora and Deloro. When he struck the match to light up the pilot light of the furnace in his mobile office, the whole room burst into flames. Mr. Ellis, who was kneeling by the furnace, suffered severe burns to his right hand. His clothing was all ablaze, so he dove out the door and rolled in the grass to put out the flames. The propane delivery man, who was there at the time, shut off the valve and then came to Mr. Ellis' assistance.

On Monday, Mr. Ellis reported to the Review that he is very stiff and sore. He has burn blisters on his left hand and on his legs and face as well. Fortunately, his vocal cords were not injured in the incident, which is particularly important to a politician. The clothes Mr. Ellis was wearing, his watch and his glasses were all ruined in the mishap. Smoke was the worst of the damage to the office, and this can be cleaned up.

Mr. Ellis reports that workmen had been servicing the furnace before this. The investigation showed that one had left a gasoline disconnected and when the furnace was turned on, the raw gas fumes filled the air inside the office. Although he was not aware of it at the time, Mr. Ellis had knelt down in a pool of gas before he struck the match.

The M.P. does not expect to regain the use of his right hand or to get back to his regular duties for about three weeks. The visit to Marmora and Deloro will be rescheduled in the very near future.

SHOP AT HOME FOR BEST VALUES

The merchants of this district will give you better service than you'll get elsewhere. In the first place they have to live here too, and it is in their interests to please their customers. In the second place they realize that by giving value received, they are helping to make this a better community in which to live. And they have shown in the past by their generous support of all projects that would benefit the community that is one of their aims. Want to make a good resolution? Just decide to shop at home in the future. In this way you will be helping your community stay busy and prosperous while giving yourself a better break on the services you receive when shopping at home and

being a better citizen. Support all of the following merchants and fill a coupon for the weekly Free draws while in their stores: Wilson's, Pigen Motor Sales, Hagerman's Sports & Cycle, Ross Ladies Wear, Armstrong Motors, Madoc Frigid Lockers, Miller's B.P., Pigen Radio & T.V., Johnston's Pharmacy, Bert Jones Ltd., Stickwood's Dry Goods, Brett's Garage, Embury Builders' Supplies, Nickle's Jewellery, Ed Kramp & Son Superstore, Madoc Co-Op, Canadian Tire Store, O'Riordan Grocery, Hulin's Garage and Farm Supply, Kincaid's I.G.A., Frank Downey Insurance, Beamish Store, Mother's Restaurant and Eaton's Catalogue Sales Office.

LENTEN FISH FRY A GREAT SUCCESS

Like others who start new endeavours, the Men's Association of St. John the Baptist Anglican Church worried that not enough people would show up to support it. And like many others in the past, their worries were completely unfounded.

On April 5th, around 200 people ate English style fish and chips from the rectory kitchen. For the kitchen staff, this was a great feat. Using equipment designed only for home family use, the staff struggled to keep up with the flood of orders that continuously threatened to engulf them and render them completely ineffective.

Thanks to the great forbearance of the customers, the cooks were able to improvise an excellent meal. Rob Bonter borrowed a propane blowtorch, which Bill Taylor used to cook pounds of fish. With Captain Thompson conducting the chorus of cooks, boxes

were folded, fish was fried, and potatoes were peeled, chipped and cooked.

When the meal was over, the kitchen staff (God Bless Them) sat down for a short repast and thought about the future. It is now hoped that the Men's Association (even that name is much in doubt as there were many women and girls labouring in the kitchen with the men) will be able to use commercial equipment next year to continue this tradition (at least it will be in a decade or so) next year. The citizens of Madoc and area should be thanked for their most generous support.

TURN CLOCKS AHEAD

Everyone is reminded to revert to Daylight Saving Time by advancing their clocks one hour on Saturday night, April 27th.

GUESS WHAT?
I'M A V.I.P.
by Bill Smiley

Have you ever been a VIP? As a matter of democratic principle, I'm solidly against special treatment for anybody. But when it came to practice, I found it delightful, and wondered what the poor people were doing tonight.

It has never happened to me before, and probably never will again, so I want to get the experience down here for posterity and my grandchildren.

It happened during my recent trip to Germany, courtesy of the Department of National Defence. Hold it, you taxpayers. It didn't cost you a nickel. The plane was going anyway, and I was told I'd have to pay my own expenses overseas. Fair enough.

The invitation was very casual, and there were no strings attached, though the Department knew I write a syndicated column. But I could have gone to Germany, spent three days in a beer-hall, written nothing, and no questions asked. I chose to do otherwise.

Thus, I had a quick, but enlightening look at that comparatively recent hybrid, the Canadian Armed Forces, the rather pallid name chosen by Paul Hellyer, when, as Minister of Defence, he integrated the Royal Canadian Navy, the Canadian Army, and the Royal Canadian Air Force.

That was a bitter time for those in the service, as each branch had its special pride and traditions, and foresaw these being swept away in the integration process. Many of them were, and the bitterness has not completely dissolved.

But it probably made sense. There is only one uniform now, a reasonably attractive dark green. There are no more Group Captains or Lieutenant-Commanders. Army titles are used throughout.

At any rate, these were the people I got tangled with for a few days which I thoroughly enjoyed.

I talked with all ranks from corporal to Brigadier-General. I couldn't find a private, and still wonder if there are any left in the service. Generally, I found them friendly, courteous, reasonably happy in the forces, and keen on their jobs. It was quite a change from the "rude and licentious soldiery" of wartime, with its constant grouching and grumbling.

I began my pilgrimage as a VUP (Very Unimportant Person), just my usual self. Up at 7.30 and a long, cold, boring bus ride to Trenton. Hours to wait for my flight. Nothing to do. Tired already. Blizzard outside. Everything fairly typical, in other words.

In despair, I asked a couple of ladies at an information desk if there were anywhere I could lie down for a while. One of them — she must have been my fairy godmother — said there was a VIP lounge. I went into it, expecting to be thrown out, and a handsome young pilot in

there looked a bit surprised, but pleasantly asked if I'd like some coffee. We exchanged a few remarks. I told him who I was and where I was going. And suddenly, to my utter incredulity, I discovered that I was a VIP.

This Captain Hanberg, who turned out to be the Duty Officer for the day, looked at my letter of confirmation for the flight and went into high gear. Carried my bag, took me to the officers' mess, got me a room for a lie-down, showed me where the bar was, lined up dinner, drove me back to the terminal, checked my bag and ushered me through the blizzard right onto the plane and to my seat.

This went on for the next four days, and I'll never be the same again.

Crossing was pleasant enough, though exhausting. The Forces use large Boeing 707's (I believe they have five of them) to shuttle personnel, baggage, mail and whatever to Germany, Cyprus, Egypt, and back and forth across Canada. They're fast and comfortable. No drinks and no movies, but excellent service from two young ladies, with food and coffee and snacks.

Can't sleep on planes, so spent the time exchanging horror stories with two veterans of Dieppe who were going to a Dieppe reunion.

Tottered off the plane at Lahr, the Canadian base in Germany, in the Black Forest region. Walked into the terminal and an officer walked up to: "Are you Bill Smiley?" I admitted as how I was. He was Lieutenant-Colonel Hopkins, the chief padre. His wife was with him. They both went to the same high school I did, years ago. My kid brother had asked them to meet the plane. "Hopie" calls himself The Vicar of Lahr. They offered all hospitality.

With them was a Captain, who took charge of me, showed me around the town, got my brother on the phone, took me to a bank to change dollars for marks, and took me to a hotel room he had organized. I met this same unfailing courtesy in all forces people I encountered, both Canadian and American.

Staggered into bed at 4 p.m. German time, just 27 hours and no sleep after I'd started out. Left a message to be called at 6.30 the next morning. With typical German efficiency, the maid called me at 6.30 the same evening. Horrors. Back to bed and died until 5 a.m. More next week from Gullible's Travels.

The Hastings County Board Of Education

A regular meeting of The Hastings County Board of Education was held in the Board Room, 208 Bridge Street East, Belleville, at 7:30 p.m., Monday evening, April 8th, 1974, with 16 members present.

D. Williams — M. Waller — that the Minutes of the regular meeting of March 25th, 1974, be approved as presented.

The eight students from Lahr, on exchange in Belleville secondary schools, introduced themselves to the Board. Short descriptions were given of the German school system, teenage and family life and customs and celebrations in Germany. The students answered questions put by the trustees and were thanked by the Chairman of the Board.

Mr. Walker, supported by his Vice-Principal and other staff members, gave an initial report regarding the introduction, in September 1974, of a two-semestered program at Belleville Collegiate Institute and Vocational School.

Mr. M. Roberts introduced Messrs. Raniowsky, Brooks and Cochrane. Detailed reports were given to explain the publicity efforts of the Education Week Committee in its attempt to obtain the highest possible degree of participation by the public and all educational institutions in Hastings County. Preparations are now being undertaken for Education Week 1975 which will be opened in Hastings County.

J. Spry — M. Waller — that the Board approve the transfer of two (2) bus routes operated by R. Reid of Madoc and serving elementary schools in Tweed and Centre Hastings Secondary School to D. J. Kleinstaub; and, further, the transfer of one (1) route operated by J. Robinson of Actinolite and serving elementary schools in Tweed and Centre Hastings Secondary School to Ted Bolderick.

D. Thrush — M. Roberts — that the Board accept the tender of Alunior Limited, Agincourt, Ontario, in the amount of \$12,145.00 for window replacement at Queen Mary Public School, Belleville, and \$14,827.00 for window replacement at Queen Victoria Public School, Belleville.

M. Waller — R. Weaver — that the Board approve By-Law #5/1974, listed as Item B.5.2 of the Agenda to execute the Deed to the former Point Anne Public School between The Hastings County Board of Education and Mary Joanne Feeney.

The Superintendent of Business advised the Board that the Grant Regulations were released on Friday, April 5, 1974, and the Press reports generated some rather high expectations among the public, the trustees and the Board's staff. While there has been no real opportunity to work out all of the details, the preliminary information available seems to negate some of those expectations. It appears that the Board may increase its expenditures but that the reduced grant would result in more being charged to local taxes.

D. Williams — Mrs. M. Graham — that the Minister of Education be made aware of the effects in Hastings County of the 1974 Grant Regulations.

The Director of Education gave a report to the Board regarding the admission of students to the Nursing Course at Loyalist College of Applied Arts and Technology. The College authorities acted in accordance with instructions from the Minister of Colleges and Universities. They do

share the concern regarding the students presently having difficulty in being admitted and also regarding future admissions; they are endeavouring to have the quota raised to allow all those students presently in difficulty to be accommodated this year. The College has initiated the Admissions Board Committee for April 11, 1974, and the Board has a representative on that body (Mr. Sid Allcorn of Centennial Secondary School). All possible steps are being and will be taken to avoid further miscommunication.

Mrs. J. Hutchison — Mrs. M. Graham — that the Board of Education, being deeply concerned about all post-secondary education, request the Minister of Colleges and Universities to undertake immediately a complete evaluation of the admission requirements and procedures and the courses offered, with particular emphasis upon the College of Applied Arts and Technology level.

E. Robinson — J. Spry — that the Board resolve into Committee of the Whole.

Mrs. M. Graham — M. Roberts — that the Board approve the Hires, Transfers and Terminations of Non-Teaching Personnel from January 1st, 1974, to March 31st, 1974, listed as Item D.13.1 (p. 1 and 2) of the Agenda.

J. Spry — Mrs. J. Hutchison — that the request of Mr. James R. Stone, of Queen Elizabeth Public School, Trenton, for unpaid leave of absence for the period September 1st, 1974, to December 31st, 1974, for the purpose of undertaking full-time university studies to complete a Bachelor of Arts Degree, and with duties being resumed January 1st, 1975, be and is hereby approved.

D. Williams — Mrs. M. Graham — that the re-advertising locally and provincially for sale by public tender of the building and property at 208 Bridge Street, East, Belleville, authorized on March 25th, 1974, be delayed until May 31st, 1974, and, further, that the building and property,

including the attached portable accommodation, be offered to the Central Volunteer Bureau of Belleville and District for a sum as recorded in the Secretary's office.

R. Weaver — J. Spry — that the meeting adjourn, including acceptance of the Report of the Committee of the whole.

LOOKING BACK

50 YEARS AGO May 7, 1924

The Review wishes to congratulate the following successful candidates, who got their degrees at Queen's University this year. For the Degree of Bachelor of Arts — Eric Cross (Honours), Margaret Watson, Madoc; Edna Bowers, Sulphide, and Helen Evelyn Wootton, Maynooth. Bachelor of Commerce — Carl James Whytock.

On Wednesday evening May 1st the Athletic Association held a public baseball meeting in the Bank of Commerce rooms. About thirty baseball enthusiasts were present and after some discussion it was unanimously decided to enter an intermediate team in the Trent Valley League, and it was thought advisable to play only local players. Messrs. Burnside and Cross were selected to attend the Trent Valley League meeting in Stirling and to enter a team in the league. The entering of a junior team was discussed but it was impossible to support two teams this year, as the junior team would have to go to Picton, which would be too expensive. It was decided to take up a subscription from the citizens in town and to ask the council for a grant in order to secure funds. Mr. C. Moon was elected secretary and Mr. Allan Carswell Treasurer. It was also decided to hold a celebration in Madoc on June 3rd.

Belleville is to have another new industry. A branch of the Carriage Machine Company of Carthage N.Y. is to locate there. They have taken over the entire plant, property and lands of the J.C. Wilson Mfg. Co. Ltd. of Belleville. This plant is a brick and steel structure built in 1916 and is well located for manufacturing purposes as it is at the entrance to the harbor and alongside the Canadian Pacific lines. The new company will manufacture pulp and paper making machinery of all kinds and other special lines. Mr. F. S. Wilson, President of the J.

C. Wilson Company, has taken an important interest in the new company and has been appointed its vice-president and general manager. Work will be begun immediately to make the necessary changes and alterations in the plant.

Men of Thomasville, Ga., tired of having to wait while women are having their hair bobbed, are agitating for a law to prohibit women entering barber shops.

Raymond Branscombe, of Bloomfield, who had his hand cut with a buzz saw, a few weeks ago, died on April 15th from lock jaw which developed about ten days after the accident.

'Miss Grace Zucker was electrocuted by a hair dryer after she came out of a bathing pool. Her wet hair caused an abnormal shock from the dryer, which usually carries only a small voltage.

Mrs. Ira Simmons, Foxboro, sustained a dislocated shoulder and was severely bruised about the body when she fell off a moving train at Foxboro. The train started as Mrs. Simmons was alighting and she fell and rolled down a slight embankment.

Wedding Bells — At St. Peter's Cathedral, Peterboro, on Tuesday, April 29th, 1924, by Rev. Father Costello, Mary Frances, youngest daughter of Mr. and Mrs. Thos. McNamara, 417 Sheridan street, Peterboro, was united in marriage to Alfred Joseph Massel, son of Mr. and Mrs. Joseph A. Massel, of Chestow, Ont.

A quiet wedding was solemnized on Wednesday, April 30, at the Church of the Redeemer, Toronto. Rev. Canon James officiating, when Helene, daughter of Mrs. Margaret Anley, of Toronto, and the late G. T. Anley, became the bride of George Henry Bishop, of London, England.

24 YEARS AGO April 27, 1950

Messrs. Allan and Ray Burris have rented the new store in the Wright Block, opposite the Dominion Bank,

which they expect to open early in May. The new business will be known as Ray's Sport Shop and it is their intention to carry a large line of fishing tackle, hockey, softball, baseball, rugby, tennis and badminton equipment. One section of the building will be made into a modern lunch bar and built to represent a log cabin, with archway, roof, windows, etc.

Four Madoc Midget teams will compete this spring in a newly organized Softball League. The following local organizations will each sponsor a team: Kiwanis Club, Legion, Elks' Club and Community Club. A meeting for the purpose of organizing this new league was held in the Legion Hall on Monday night and representatives of all clubs were present. Tom Burnside was elected President and the following is the executive committee: Community Club, T. H. Rupert; Legion, J. Belcher; Kiwanis, Kel Kincaid; Elks, Ray Smith. Besides the Madoc Village youngsters, boys from the surrounding district are eligible to play. Each club is to be responsible for its own equipment and the home club is to furnish suitable balls.

The schedule will consist of home and home games, but a series of exhibition games will be played before the regular schedule gets underway. In the semi-finals first and third teams and second and fourth teams will play a three-game series with the winners entering the finals. A trophy and crests donated by Ray Burris will be presented the winners at the end of the season.

Reeve Jack Kincaid and Mrs. Kincaid and Mr. and Mrs. Lloyd Blue are in Cleveland this week attending Sportsmen's Show. The County of Hastings, with the City of Belleville and the district Hotel Association are jointly sponsoring a booth at the show for the purpose of advertising this district as an attraction to tourists. Reeve Kincaid, who is chairman of the County Publicity Committee, is representing the

County, while Mr. Blue, who is past president of the Hotel Association, is representing that organization. Mr. and Mrs. Kincaid motored to Cleveland on Sunday and were accompanied by Mr. Albert Maynes. Mr. and Mrs. Blue, who also left on Sunday, travelled from Toronto by plane.

The new Grimsthorpe look-out tower was shipped to Bannockburn early last week and crews moved the steel to the site on Mount Maria by sleigh. It is planned to start construction in early April so that the tower can be manned during the spring fire hazard. Arrangements have also been completed for the annual spring meeting with summer woods operators. These joint discussions of fire prevention measures and protection plans are attended by protection officials of the Department and representatives from industry.

Knocking the combination off with a hammer, safe-crackers Monday night smashed open the safe in the office of the Tweed Feed Mill and escaped with over \$200 in cash. The intruders entered the building by prying open a door. The feed mill which does a wholesale and retail business is owned by Emerson Hodgins, Tweed, Provincial Com-

missionary. Welcoming guests at the door were Mrs. Jack Kincaid, Mrs. Ed Armstrong and Mrs. Tom Burnside. Mr. and Mrs. Perc Archard assisted Mr. and Mrs. Smith in the receiving line. Mrs. Archard was the former Laura Smith and she and her husband were the attendants at the marriage ceremony twenty-five years ago. Mrs. Smith wore a dress of champagne chintilly lace and her corsage consisted of deep pink roses. Mrs. Archard's corsage was of white carnations. Those who poured tea through the afternoon and evening were Mrs. Allan Smith, who is Mr. Smith's mother; also Mrs. Carl McCoy, Mrs. S. R. Beatty, Mrs. Kelly Mulrooney, Mrs. George White, Mrs. Allan Burris, and Mrs. Will Hart. The serving was done by Miss Lyn Murison, Mrs. Bob Smith, Sheila and Gayle Smith, Mrs.

Birth — At Mrs. Keller's Nursing Home, Madoc, on Monday, April 24th, to Mr. and Mrs. Jas. MacMillan, a daughter.

Mr. Richard C. Schofield, of Fredericton, N.B., announces the engagement of his eldest daughter, Joyce Marguerite, to Mr. James L. Watson, son of Mr. and Mrs. James A. Watson, of Madoc. The wedding to take place at Fredericton on May 22nd.

15 YEARS AGO May 7, 1959

The home of Mr. and Mrs. Murray Smith, on St. Lawrence Street, Madoc, was the scene of a very pleasant afternoon and evening on Saturday, May 2nd, when "Open House" was held on the occasion of their 25th wedding anniversary. Mr. and Mrs. Smith have three children, Bob, whose wife was formerly Miss Margaret Franks, Sheila and Gayle. Mrs. Smith's two sisters, Mrs. Ed Johnston, of Parry Sound, and Mrs. Ross Murison, of Pickering, were co-hostesses with her. The house was tastefully decorated with pink and white tulips, snapdragons and carnations. The dining-room table was centred with a 3-tier wedding cake, topped with a small cluster of

lily-of-the-valley. Welcoming guests at the door were Mrs. Jack Kincaid, Mrs. Ed Armstrong and Mrs. Tom Burnside. Mr. and Mrs. Perc Archard assisted Mr. and Mrs. Smith in the receiving line. Mrs. Archard was the former Laura Smith and she and her husband were the attendants at the marriage ceremony twenty-five years ago. Mrs. Smith wore a dress of champagne chintilly lace and her corsage consisted of deep pink roses. Mrs. Archard's corsage was of white carnations. Those who poured tea through the afternoon and evening were Mrs. Allan Smith, who is Mr. Smith's mother; also Mrs. Carl McCoy, Mrs. S. R. Beatty, Mrs. Kelly Mulrooney, Mrs. George White, Mrs. Allan Burris, and Mrs. Will Hart. The serving was done by Miss Lyn Murison, Mrs. Bob Smith, Sheila and Gayle Smith, Mrs.

Milton McGhee, of Belleville, sister-in-law of Mrs. Smith, and Mrs. Allan Franks replenished the sandwich and cake plates. Mr. and Mrs. Smith were the recipients of many beautiful gifts and cards. A host of friends and relatives called during the afternoon and evening to extend their good wishes. On Tuesday evening a surprise party was held at the home of Mr. and Mrs. Smith when a large number of friends called and presented them with an end table in honour of the occasion.

The bowling leagues wound up their season with banquets and presentation of trophies over the weekend. On Friday evening the Mixed League held a social evening in the Armouries when the prizes and trophies were presented to the winners by the president, George Duffin. Following, all met at Richard's Restaurant

and enjoyed a Chinese dinner. Season winners were the Pontiacs with each member receiving a trophy. Play-off winners were the Silent Six with prizes going to each member. Ladies' High Average, Sadie Armstrong; Ladies' High Triple, Betty Smith; Ladies' High Single, Norma Nicol; Men's High Average, Ernie Carswell; Men's High Triple, Ron Smith; Men's High Single, Earl Morgan. On Tuesday evening the Men's League held their banquet, presentation of prizes and election of officers, in Blue's dining room. Bob Borland, president, was in charge. The

season winners were the Marmora Legion Runners-up were the Steelers. Play-off winners were Eldorado, with the Admirals as runners-up. Besides the trophies, individual prizes were presented to each member of the winning teams. The prize for the high average went to Al Lorenson; high single, Rex Rollins and high triple, Bob Borland.

Wedding — A very pretty spring wedding took place in Trinity United Church, Madoc, on April 25th, at 2 p.m., when Rev. R. A. Milley united in marriage Sylvia Madeline, youngest daughter of Mr. and Mrs. James Shaw, Madoc, and Gibson John Bailey, youngest son of Mrs. D. Card, Oshawa, and the late Harold Bailey.

THE RIGHT TIRE AT THE RIGHT PRICE

Your kind of tire, your kind of need, your kind of price!

It's the right time—and the right place—to buy. We can't deny that prices are due to soar. Natural rubber and carbon-black costs are doubling. Oil derivatives like Nylon and Polyester, synthetic rubber and a host of other components are following suit. Shortages loom on the horizon. But right now, Canadian Tire has a great selection for every purpose and every pocket. Wise motorists will buy NOW.

L-O-N-G on value...

WIDE-TRACK SAFETY 99 LONG CORD—Our newest Non-Belted Tire in Nylon

A high performance tire built expressly to replace belted tires. It's a low angle, long cord tire that provides close to the long mileage of belted tires, but with double the safety (See Nevada Test results in-store). Also available in Polyester.

A. 2+2 Glass-Belted Polyester
Like tires on new cars—1970 to '74. Our Turnpike Wide Track has 2 Polyester body plies — 2 Glass Belts. 78 series; Whitewall only. 70 Series with bold white letters.

C. Polyflex 2+2 Polyester-Belted Nylon
Built with 2 Polyester Belts plus 2 body plies of Du Pont 66 Nylon, for a softer ride with twice the safety. (See Nevada Test results posted in Canadian Tire stores.)

B. 4+2 Strongest Glass-Belt Construction
Ours has 4 Du Pont 66 Nylon body plies plus 2 Glass Belts — 6 plies underfoot instead of the usual 4. Big mileage-getter, gas-saver and safety-tire!

D. Safety 99 Long Cord Radial
4 belts, 2 body plies, for stability, mileage! White stripe only. TRY BEFORE YOU BUY; if not satisfied, return within 10 days for refund (excluding valve, service fees).

Barton Lucas attended
council to discuss a line fence
dispute.

It was moved by E.
Alexander, seconded by K.
Cassidy, that Stewart Roy be
appointed to sell dog tags and
act as animal control officer at
a fee of \$1.00 for each dog tag
sold.

Two applications from Land
Division Committee were con-

sidered and approved.
Warden J. McKenzie visited
council.

Considerable time was
spent discussing the bylaw to
control tent and trailer parks
and mobile homes. A decision
is to be made at a later
meeting.

It was moved by J.
Robinson, seconded by E.
Alexander, that council ad-
journ to May 6 at 8 p.m.

carried.
Lloyd H. Price,
Clerk-Treasurer.

TRINITY U.C.W., UNIT 1

Mrs. Lynn Empey was
hostess for the April meeting
of Trinity U.C.W., Unit 1. Mrs.

change of the worship service.
The offering was taken and
dedicated. Mrs. Zufelt read
the Scripture from Isaiah
Chapter 53, verses 1-10. She
read a poem, "The Last
Meal", and Hymn 86, "When
I Survey the Wondrous Cross".

Mrs. Zufelt gave a
reading, "There is a man on
the Cross", followed by a talk
on the time from Good Friday
to Easter Sunday. Prayer and
Hymn 89, "O My Saviour"
ended the worship service.

"The minutes of the last
meeting were read and adopt-
ed and roll call was taken.

Correspondence and business
were dealt with. There were 61
house and 23 hospital calls
reported. Easter lilies were
offered for the church for
Sunday service.

Mrs. Delbert Carman pre-
pared the program and used as
her theme, "Love for Fellow-
man," illustrated by circles
with a heart in the centre.

Madoc Women's Institute

The Madoc Women's Insti-
tute met at the home of Mrs.
Stanley Franks for the April
meeting.

The president, Miss Loreen
Connor opened the meeting by
reading some resolutions that
were proposed in England.

As this was the annual
meeting all members present-
ed their reports. Four mem-
bers had perfect attendance
for the past year and one new
member has joined during the
year.

The nominating committee
submitted their report. The

new slate of officers are Past

It was decided to have the
fair booth open this year and
the convenors will be Vera
Hill, Lottie Bailey, Mary
Forestell, Anna Carman,
Sharon Phillips and Keitha
Parks.

The Institute has some
silverware to be auctioned off
at the May meeting to anyone
interested. Mrs. Nayler was
appointed to take names of
anyone going to Ivanhoe for
the District Convention on

May 13th.
The next meeting is to be at
Mrs. Sharon Phillips. A gift
was presented to Mrs. Anna

Carman, Past President and to
Mrs. Lavina Farrow, Past
Treasurer who is moving
away. The meeting closed in
the usual manner and a social
half hour followed.

Mr. Russell Lewis was this week's winner of the steak set when he filled in the coupon at Kincald Bros. I.G.A. Above, Mr. Lewis left, receives the set from Kel Kincald.

Winner of the Cutlery set this week was Doug Tebworth of Crookston. Above, Frank Downey of the sponsor, Frank Downey Insurance Agency Ltd., presents the gift to Doug. Another cutlery set was given away this week, which was won by Harry Brown of Madoc, from a coupon he entered at Armstrong's Garage. Watch for the picture in next week's paper.

Johnston's Pharmacy had a lucky winner in this week's draw. Miss Julie Burris of Madoc, daughter of Mr. and Mrs. Ray Burris won a lovely necklace. Above, Gordon Johnston is shown presenting the jewellery to Julie.

CHINESE MINISTER TO VISIT MADOC

The Rev. David Y. S. Lee, a Minister of the United Church of Canada, of Chinese background will be visiting Trinity and Bethesda United Churches this Sunday, April 28th.

The congregation of Trinity, through its Mission, gives help to support the work of Mr. Lee in communities throughout Southern Ontario. Mr. Lee, who speaks fluent Chinese, has a visiting ministry among Chinese people. In his visits he helps Canadian born Chinese children understand

the ways of their ancestors and relate to the elderly often non-English speaking grandparents in their midst. In his travels he brings the concern and love of the Church, and often conducts services in both Chinese and English.

Following the service at Trinity, Mr. Lee will be with the congregation for lunch, and then will be going to the studios of Hastings Cable Vision to make a Video-Tape for showing at a later date.

ELDORADO

Mr. Fred Chambers is a patient in the Belleville General Hospital.

Mr. and Mrs. Herman Roy and daughter of Peterborough were weekend visitors of Mr. and Mrs. Jerry Morrison.

Mr. and Mrs. Brian McBride and sons of Renfrew were weekend visitors of Mr. and Mrs. Ivan Sine.

Mrs. Wm. Irwin is a patient in the Belleville General Hospital.

Mr. and Mrs. Harley Blackburn, Mark, Lorie and Lynn were Saturday evening supper guests of Mr. and Mrs. Melvin

Johnson. Mrs. Robert Downey of Hastings Manor is spending a few days with Mr. and Mrs. Glenn Boyle.

Mrs. C. D. McCann of Hastings Manor, formerly of Eldorado is a patient in the Belleville General Hospital. Miss Joyce McCarey of Belleville spent the weekend with Mr. and Mrs. Earl Blakely.

Mr. and Mrs. Harley Blackburn, Mark, Lorie and Lynn were Sunday dinner guests of Mr. and Mrs. Elmer Cotten of Stirling.

C.O.P.E. Furthers Service To Community

A further service was extended to the people of Madoc and vicinity by C.O.P.E. as a result of the mail strike which came into effect on Wednesday of last week.

On Thursday, Madoc C.O.P.E. and staff offered the use of their office space to the Unemployment Insurance Commission for distribution of U.I.C. Benefit warrants, which would not have otherwise been delivered had they been put in the mail. The U.I.C. was most grateful to C.O.P.E. for the use of their office space and facilities and some clerical assistance in this task.

Two members of U.I.C., Mr. Harold McNish and Mr. Arthur Taylor, set up a temporary office at C.O.P.E. headquarters, 21 St. Lawrence Street East. They were kept busy most of the day distributing nearly 250 cheques to the unemployed in the area extending from Ivanhoe north to Bannockburn as well as the villages of Marmora, Madoc and Tweed. These arrangements will continue for the duration of the mail strike.

In the meantime, applications for benefit, which might ordinarily be mailed, may be left at the offices of Madoc

C.O.P.E. for delivery to the proper destination by the staff of U.I.C. Also, a supply of applications for benefit claims are on hand and may be picked

up at this temporary office at any time.

Mr. McNish commented that to avoid driving a substantial distance unnece-

sarily, persons should phone the C.O.P.E. office at 473-2345 to check to see if their claim warrants are here. Office hours are 10:00 a.m. to 4:00 p.m.

At left, Bill Gordon, project manager, is shown assisting the U.I.C. personnel sorting out the benefit warrants for distribution from the C.O.P.E. office on Monday this week. In centre is Mr. Arthur Taylor and at right Harold McNish, of the U.I.C.

COOPER & REMINGTON W.I.

Due to renovations presently taking place in the Cooper Community Centre, the Cooper and Remington Women's Institute was unable to hold the pot luck dinner and annual meeting as planned. Mrs. Rex Rollins readily offered the use of her home, which was appreciated by all. Sixteen members and four children attended. The meeting opened with the Institute Ode and Mary Stewart Collect. Mrs. Gordon Holmes, read an interesting poem, entitled, "Memory System". The minutes of the previous year's meetings were read and approved. For Roll Call, the members paid their fees for

the coming year. It was agreed that the W.I. would take a short course this year, first choice being, "Baked in a Pie", and second choice being "Quilts". It was announced that the District Annual would be held at the Ivanhoe Standard Church on May 15th, and although Cooper & Remington W.I. has only three voting delegates, all members wishing to attend may do so, and would be more than welcome.

A letter was read from the Quinte Fair Board about the different displays that the ladies could participate in and the prizes being offered. The meeting was then

turned over to the Finance Committee. A very interesting contest was conducted by Mrs. A. McCoy, in which one really had to think. Mrs. Rex Rollins and Mrs. Herb Brady tied with 14 correct answers out of 18. Mrs. Jack Dudgeon read a nice poem, "What Grandmothers are For".

All annual reports were read from each officer and convenor group, and were then passed on to the Secretary.

The meeting was then turned over to the Nominating Committee report, which was read by Mrs. C. Keene. The Nominating Committee was thanked for their work, and it was moved that their report be accepted. Mrs. Rex Rollins then declared all offices vacant and installed the members to their new positions, as follows: President, Mrs. Fred Stein; 1st Vice-President, Mrs. E. Graham; 2nd Vice-President, Mrs. G. Rollins; Secretary, Mrs. L. Courneyea; Assistant Secretary, Mrs. L. Graham; Treasurer, Mrs. C. Fitzgerald; Branch Directors, Mrs. L. Holmes, Miss M. Taylor, Mrs. L. Graham; District Director, Mrs. G. Holmes; Alternate District Director, Mrs. Rex Rollins; Finance Committee, Mrs. J. Dudgeon, Mrs. G. Graham, Mrs. K. McCracken and Mrs. Joe Stire; Auditors, Mrs. E. Trotter and Mrs. L. Holmes; Cheerio, Mrs. L. Parks and Mrs. G. Chapman; Pianist, Mrs. C. Keene; Tweedsmuir Curator Committee, Mrs. C. in't Veld, Mrs. R. Rollins and Mrs. H. Brady; Public Relations Officer, Mrs. L. Courneyea. Standing Committee Conveners: Canadian Agriculture and Industry, Mrs. E. Trotter and Mrs. G. Rollins; Citizenship and World Affairs, Mrs. Rex Rollins and Mrs. G. Chapman; Family and Consumer Affairs, Mrs. Herb Brady and Mrs. C. in't Veld; Education and Cultural Activities, Mrs. A. McCoy and Mrs. A. Clarke; Resolutions, Mrs. C. Keene; Convention Delegates, Mrs. F. Stein, Mrs. G. Holmes, Mrs. Rex Rollins, Mrs. A. McCoy; Nominating Committee: Mrs. E. Graham, Mrs. T. Sloan, Mrs. C. in't Veld, and Mrs. A. McCoy.

Appreciation was extended to Mrs. G. Holmes for a job very well done as President over the past year. Mrs. Fred Stein thanked the members for appointing her as the new President, and expressed sincere hopes of doing the job equally as well as Mrs. Holmes.

The meeting adjourned with "O Canada" and lunch was served, to conclude a rewarding afternoon.

OBITUARY

MR. HARRY S. DeCLAIR

Queensboro, Ont.
Lifelong resident of Queensboro, Harry S. DeClair, passed away at the Belleville General Hospital on Thursday morning, April 18, 1974, after a brief illness. He was in his 79th year.

Son of the late Mr. and Mrs. Sandford DeClair, he was educated in Queensboro and had been active in community affairs. He had been a farmer and had operated a School bus.

Mr. DeClair was a member of St. Andrew's United Church, Queensboro and had served as a member and chairman of the Board of Stewards for many years. He was a member of Queensboro L.O.L. No. 437 and of the Madoc Senior Citizens Club.

Mr. DeClair is survived by his wife, the former Hilda Pyne, two daughters, Mrs. Kathleen Keor of Belleville, and Mrs. Jim (Geraldine) Devolin of R.R. 2, Madoc; three sons, Raymond, R.R. 2, Madoc; Donald, Madoc; and Ellis of Kingston, two sisters, Mrs. J. (Nettie) Alexander of R.R. 2, Madoc and Mrs. W. (Frances) Cassidy of Queensboro. There are 21 grandchildren. He was predeceased by one brother, Murney.

The funeral was held on Saturday afternoon, April 20th with service conducted in the MacKenzie Funeral Home, Madoc by Rev. W. M. Sedgwick.

An L.O.L. Memorial service was conducted in the Funeral Home on Friday evening and was under the direction of Queensboro Lodge, No. 437. Interment took place in Greenwood Cemetery, Queensboro.

Bearers were: Kenneth Cassidy, Lorne Olmstead, Emmett Dector, Harold Tokley, Lesli Holmes and Lorne Olmstead.

Owing to the sudden serious illness of Mr. F. Chambers, Eldorado U.C.W. meeting was postponed to April 9th. Twelve members and three good children met at the home of Mrs. Gerald Blackburn. President, Mrs. Harold Chambers opened the meeting with an appropriate Easter verse.

Mrs. Cecil Boyle led in Worship with an Easter theme and the Scripture reading Luke 24, 1-10. "Crown Him with many Crowns" was sung. For meditation, "God is Not Dead" three other members assisted finishing with the thought, "Like the Disciples at Emmaus, does His Presence Make all the Difference?"

Offering were given and dedicated and Mrs. Boyle closed the worship service with prayer.

The roll call was answered with an Easter custom, one being "And He went into the

Synagogue on the Sabbath, as His custom was . . . where Jesus read from Esaias as quoted in Luke 4, 18.

The minutes were read and adopted and a letter was read from the new leaders of Quin-Mo-Lac requested persons and youth participants.

The treasurer's report was given and pleasing, and other business dealt with.

Mrs. Sandford prepared the program, wherein a good study of the four versions of one incident in the Life of Jesus was held: the anointing of Jesus by a woman of Bethany. The differences found, as written by the four writers of the Gospel, led to a good study and discussion of (1) the values of her giving, (2) who the woman might have been, (3) the reception of her act, ably conducted by Mrs. Sandford. She left us with

"May we rededicate our lives with the thought, 'She went about doing good.'"

Audrey closed with prayer and a social time over a cup of tea and lunch was enjoyed by all.

St. Andrew's U.C.W.

The April meeting of Unit II, U.C.W., was held at the Manse on Monday evening, April 15th.

Dorothy Lees opened the meeting with an "Easter Poem." Hymn 105 was sung. Scripture, Luke 24: 13-35 was read by Lois Gordon. Bernice Cassidy read a story, "Life Begins at Easter," after which "Easter is Most Joyous of All Man's Festivals", was read by Jean Holmes.

Katherine Burnside favoured with a lovely solo. Bernice Cassidy then led in prayer. The "Hallelu Chorus" from the Messiah was played on the stereo. Offering of \$2.35 was dedicated by Bernice Cassidy. The Business followed.

The minutes of the last meeting were read. Catering prices were discussed. It was moved by Bernice Cassidy that we charge \$3.50 a plate for dinners catered to for any

occasion, and also for a dinner luncheon, with the agreement that we supply all the food.

A charge of 50¢ per person was decided upon for an afternoon tea sponsored by our U.C.W. For anniversaries, the charge is to be \$60. Also these prices to be revised according to cost price changes.

Lois Gordon seconded the motion. Roll Call answered with a Scripture verse from the Easter Story, showed 10 members present. The members were reminded that they will be going to Hoods on May 20th.

Mrs. Sedgwick was in charge of Programme.

She reviewed the story of Joseph. Then the members listened to the record, "The Story of Joseph" a rock oratorio.

The meeting closed with

prayer in unison. A delicious lunch was served by the hostesses.
